

Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being or has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

3. Relevance to equality, diversity, cohesion and integration

All the council's strategies and policies, service and functions affect service users, employees or the wider community – city wide or more local. These will also have a greater or lesser relevance to equality, diversity, cohesion and integration.

The following questions will help you to identify how relevant your proposals are.

When considering these questions think about age, carers, disability, gender reassignment, race, religion or belief, sex, sexual orientation. Also those areas that impact on or relate to equality: tackling poverty and improving health and well-being.

Questions	Yes	No
Is there an existing or likely differential impact for the different equality characteristics?		x
Have there been or likely to be any public concerns about the policy or proposal?		x
Could the proposal affect how our services, commissioning or procurement activities are organised, provided, located and by whom?	x	
Could the proposal affect our workforce or employment practices?	x	
Does the proposal involve or will it have an impact on <ul style="list-style-type: none">• Eliminating unlawful discrimination, victimisation and harassment• Advancing equality of opportunity• Fostering good relations	x	

If you have answered **no** to the questions above please complete **sections 6 and 7**

If you have answered **yes** to any of the above and;

- Believe you have already considered the impact on equality, diversity, cohesion and integration within your proposal please go to **section 4**.
- Are not already considering the impact on equality, diversity, cohesion and integration within your proposal please go to **section 5**.

4. Considering the impact on equality, diversity, cohesion and integration

If you can demonstrate you have considered how your proposals impact on equality, diversity, cohesion and integration you have carried out an impact assessment.

Please provide specific details for all three areas below (use the prompts for guidance).

- **How have you considered equality, diversity, cohesion and integration?** (think about the scope of the proposal, who is likely to be affected, equality related information, gaps in information and plans to address, consultation and engagement activities (taken place or planned) with those likely to be affected)

This proposal will continue to affect our workforce in that it will temporarily increase the full time equivalent (FTE) staff numbers of Property & Contracts by 5 FTE when it was originally intended these posts would cease from 1st April 2020.

Recruitment to the vacant post(s) will be in line with the usual council recruitment and selection policy and procedures, and as such will include engagement with the resourcing team and the talent pool. Recruitment to the post(s) will be undertaken with due regard to equality, diversity, cohesion and integration considerations.

Local HR and the relevant Financial Management team have been consulted in relation to the proposal to extend these temporary posts.

Staff and trade union representatives will be consulted in relation to extend these temporary posts.

- **Key findings**

(think about any potential positive and negative impact on different equality characteristics, potential to promote strong and positive relationships between groups, potential to bring groups/communities into increased contact with each other, perception that the proposal could benefit one group at the expense of another)

Extension of the temporary posts will enable Property & Contracts and LBS to deliver priority procurement schemes which support the Best Council Plan, and would ensure the delivery of sub-contract arrangements to give LBS additional capacity to deliver the overall business plan requirements to internal clients, service users, and the wider community.

- **Actions**
(**think about** how you will promote positive impact and remove/ reduce negative impact)

Extension of the temporary posts will enable Property & Contracts and LBS to deliver priority procurement schemes which support the Best Council Plan, and would ensure the delivery of sub-contract arrangements to give LBS additional capacity to deliver the overall business plan requirements to internal clients, service users, and the wider community.
