

Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being or has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

Procurement of new contract for an Interagency Adoption Placements Service.

This new contract will formalise existing arrangements whereby One Adoption West Yorkshire place a number of children for adoption through voluntary adoption agencies.

One Adoption West Yorkshire (OAWY) placed approximately 150 children for adoption in 2017-18. Of these, approximately 60% were placed with internally recruited adopters and 40% with adopters recruited externally. Of the latter, 18 children were placed through voluntary adoption agencies.

OAWY would like to see more children being placed locally where it is appropriate to do so. This means we look to place children within the West Yorkshire region or secondly in the wider regions surrounding the boundary of West Yorkshire, including the wider Yorkshire and Humber region.

To achieve this, OAWY would like to award a single contract to provide a minimum of 30 placements per year, with payment for recruitment paid annually in advance.

A key emphasis of this contract is ensuring children are adopted locally, drawing on the expertise of voluntary adoption agencies to recruit adopters who see the benefits of and are prepared to wait for a local match and would like to adopt older children and sibling groups

The contract will be for three years; commencing on 16th March 2020, expiring on 31st March 2023.

3. Relevance to equality, diversity, cohesion and integration

All the council's strategies and policies, service and functions affect service users, employees or the wider community – city wide or more local. These will also have a greater or lesser relevance to equality, diversity, cohesion and integration.

The following questions will help you to identify how relevant your proposals are.

When considering these questions think about age, carers, disability, gender reassignment, race, religion or belief, sex, sexual orientation. Also those areas that impact on or relate to equality: tackling poverty and improving health and well-being.

4. Considering the impact on equality, diversity, cohesion and integration

If you can demonstrate you have considered how your proposals impact on equality, diversity, cohesion and integration you have carried out an impact assessment.

Please provide specific details for all three areas below (use the prompts for guidance).

- **How have you considered equality, diversity, cohesion and integration?** (think about the scope of the proposal, who is likely to be affected, equality related information, gaps in information and plans to address, consultation and engagement activities (taken place or planned) with those likely to be affected)

- **Key findings** (think about any potential positive and negative impact on different equality characteristics, potential to promote strong and positive relationships between groups, potential to bring groups/communities into increased contact with each other, perception that the proposal could benefit one group at the expense of another)

- **Actions** (think about how you will promote positive impact and remove/ reduce negative impact)
