Dear Mrs Emma White,

I am writing to you about the proposed application to vary the hours of The Back Room, 50A Call Lane, Leeds, LS1 6DT. [Redacted] agree with the objection made to the proposal and the reasons listed in the letter received from the Leeds City Council (Reference: PREM/00733/011).

We already experience significant noise nuisance and anti-social behaviour on both weekdays and weekends. These disturbances come not only from the noise and vibrations coming from the licensed premises but also from their visiting patrons, especially those who gather on the streets outside to smoke. I have already made a complaint about noise coming from another premise nearby (Revolución de Cuba, 64-68 Call Ln, Leeds LS1 6DT; [Redacted], as I believe it violates our right to quiet hours during the night and disturbs our sleep.

A quote from the UK government website reads:

"Night hours are 11.00 pm until 7.00 am. To reduce noise nuisance from houses and premises, the law defines a maximum amount of noise which is acceptable during night hours. When noise exceeds the permitted level, the district council can investigate and take action against the neighbour or other noise source."

My complaint has not been updated after submission even though its due date passed 2 days ago.

Kind regards,  
[Redacted]

Hi Nawazish

Thank you for this. I formally object to the requested variation of the licence as it is out of character for the area as no other venue on a Monday to Thursday or Sunday operated beyond 4am and doing so would pose a public nuisance to local residents, early morning commuter and change the nature of this contemplative impact area which already suffers high crime and anti-social behaviour.

Kind Regards

Cllr Paul Wray  
Labour Councillor for Hunslet and Riverside
