Vision for Scrutiny at Leeds

“To promote democratic engagement through the provision of an influential scrutiny function which is held in high regard by its many stakeholders and which achieves measurable service improvements which add value for the people of Leeds through a member led process of examination and review”

To achieve this Scrutiny will follow the nationally agreed ‘Four Principles of Good Scrutiny’;

1. Provide ‘critical friend’ challenge to decision makers, through holding them to account for decisions made, engaging in policy review and policy development;
2. Promote Scrutiny as a means by which the voice and concerns of the public can be heard;
3. Ensure Scrutiny is carried out by ‘independent minded’ Board members;
4. Improve public services by ensuring reviews of policy and service performance are focused.

To succeed Council recognises that the following conditions need to be present;

- Parity of esteem between the Executive and Scrutiny
- Co-operation with statutory partners
- Member leadership and engagement
- Genuine non-partisan working
- Evidence based conclusions and recommendations
- Effective dedicated officer support
- Supportive Directors and senior officer culture

Council agrees that it is incumbent upon Scrutiny Boards to recognise that resources to support the Scrutiny function are, (like all other Council functions), under considerable pressure and that requests from Scrutiny Boards cannot always be met. Therefore Council agrees that constructive consultation should take place between the Executive and Scrutiny about the availability of resources prior to any work being undertaken.

Consequently, when establishing their work programmes Scrutiny Boards should

- ***Seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources***
- ***Avoid duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue (e.g. Plans Panel, Housing Advisory Board, established member working groups, other Scrutiny Boards)***
- ***Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.***
