and other Headingley town centre pubs granted extended hours

I would be glad to see this building retransformed into a classy architectural state and look forward to raising a glass in celebration of it opening to be enjoyed by the local community. People protesting are probably panicking that it will be noisy and full of drinkos. I think it more likely that if the opening hours are limited to reasonable times, these undesirables will move on to the late opening establishments.</p>

Sounds good to me 😊
I look forward to seeing inside the building for the first time.

AS someone who has always lived in the area I would like a Wetherspoons here!</p> <p>good luck.</p>

THEY NEVER FAIL TO MAKE VERY GOOD JOBS OF ANY NEW BUILD/RE FURB. ON THEIR PROPERTIES. I HAVE USED THEIR BARS + HOTELS AND I CAN THROUGHLY SAY THEY ARE BRILLIANT. JUST COME BACK FROM 4 NIGHTS</p>

WILL WATCH THE LOCAL PRESS FOR UP DATES.

AT THE HOTEL IN CAMBORNE.
GOOD BIG ROOM + EVERYTHING ONE NEEDS FOR A GOOD STAY.
WELL DONE.
GOOD LUCK + HOPE ALL THE DECISIONS ARE FAVOURABLE FOR YOU.

I fully support Weatherspoons + their plans to improve this building which is on my doorstep.</p> <p>Unfortunately the people who have objected to this development tend to live elsewhere (NIMBYs)!!</p>

So in short I (+ most of my neighbours) are in support of the development + rescuing of this beautiful building

Comments	<p>Mildly positive as we've had good service from this business but there's a need to carefully factor in:</p> <ol style="list-style-type: none">1. The limited parking space especially if students are present2. The seasonal nature of the business - Headingley is dead in the summer3. The dependence upon the A66 Road which has been disrupted4. The effect on traditional public houses like the oak and tobacconist5. The effect of the Brexit Crisis. <p>However my wife loves Wetterspoons, so you'll already have as customers. (two if the change no change as he has done many times before)</p> <p>Support all the best for the enterprise!</p>

Comments	<p>I welcome the plan as the Eleanor Lupton Building is gradually becoming more and more dilapidated - some of the Weather Spoon conversions have been sympathetically carried through.</p> <p>I would hope that large numbers of students would be deterred and that the 'Otley Road Pub crawl' would be refused entry, also other large groups (as at A Radia in Headingley) I worry about the licensing laws and would object to late night opening hours.</p> <p>I really can't see what other uses could be made of the building.</p>

Comments	<p>I look forward to another quiet family pub in Headingley that offers local residents the chance to go out to an establishment that is not part of the Otley run and doesn't play loud music. I've been impressed by the extent of the measures taken by JD Wetherspoon to fit in to the local community and this will be a great benefit to us in Headingley. I am hugely supportive of this application. Headingley needs more places that are not on the Otley run.</p>
