The Inner North East Community Committee is attended by councillors and local residents from Chapel Allerton, Moortown and Roundhay wards.

The role of the Committee is to improve local service delivery and ensure resident voices are heard.

They also invest their Wellbeing funding and Youth Activities Fund monies in community projects across the three wards.

In this update we'll look at last year's achievements and highlight some of the fantastic community projects that were supported by the Committee.

Inner North East – Christmas Lights Switch On

A number of Christmas lights switch on took place in the Inner North East area including Roundhay, Oakwood, Moortown, Chapel Allerton and Chapeltown. A lot of families attended and there were a host of children's activities, music and food to keep the crowds entertained.

The Christmas lights were funded through Community Committee funding with a number of community and voluntary organisation organising the switch on.

Quotes

The unique Christmas Lights event now attracts over 1500 people, it is fully accessible to all and engages with people from all sections of the community.

Chris (Meanwood Lights Switch On)

Youth Summit – 6th November 2019

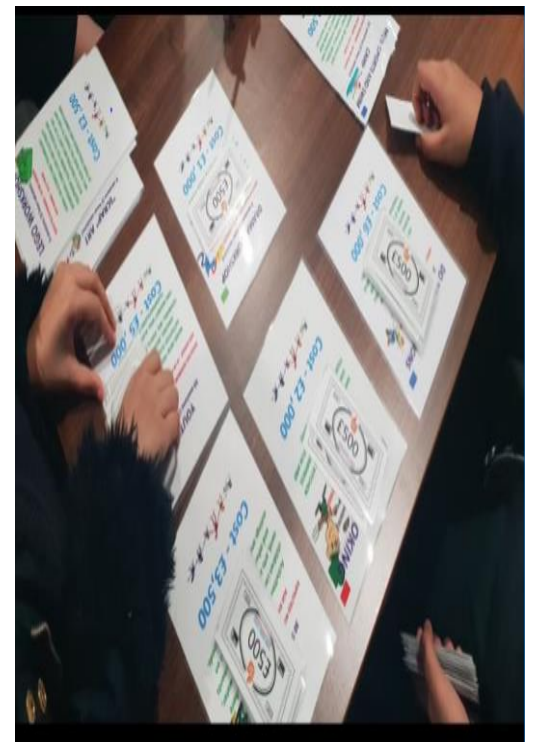

The Youth Summit took place on 6th November 2019. The yearly event attracts young people from primary and secondary school and the main purpose of the event is to consult young people aged 8 to 17 years on what activities they would like to see happening in their area.

The voices and views of children and young people are at the heart of making Leeds a child friendly city. Child Friendly Leeds have 12 wishes that have been chosen by young people and the third of these wishes is: 'There are places and spaces to play and things to do, in all areas and open to all'.

Following on from the Youth Summit young people aged 8 to 17 came out with the following top 5 activities they would like see in their community.

1. Youth Club
2. Outdoor adventure
3. Cooking
4. Sports
5. Cycling skills

The feedback from children and young people from the Youth Summit will inform the Inner North East Councillors on projects they would like to fund from the Youth Activity budget.

The Inner North East Committee Community is made up of the nine ward members for the area from the Chapel Allerton, Moortown and Roundhay wards.

Chapel Allerton ward members

Moortown ward members

Chair

Roundhay ward members
