The report focuses upon the period 1<sup>st</sup> October 2007 to 31<sup>st</sup> March 2008.

### **Update on Restructure of the North East Police Division and Neighbourhood Management Tasking Arrangements**

1. The Divisional Community Safety Partnership (DCSP) Strategic Plan has now been produced. The document will be the framework upon which the DCSP will develop activity and manage performance against strategic outcomes of the city, Safer Leeds Strategy 08 – 11 and the Area Delivery Plan. The DCSP Strategic Plan is attached at Appendix 1.
2. The neighbourhood management tasking teams have now been aligned to ward boundaries. The new arrangements were launched on 28<sup>th</sup> January 2008.
3. In Inner North East there is one neighbourhood management tasking team which covers the three wards of Roundhay, Moortown and Alwoodley.  
The Co-chairs: Inspector Andrew Briggs

Sandra Fowler  
[sandra.fowler@westyorkshire.pnn.police.uk](mailto:sandra.fowler@westyorkshire.pnn.police.uk)

### Performance Framework / Tasking Teams

4. The co-chairs have responsibility for monitoring performance and local delivery which is overseen by the Area Community Safety Co-ordinators. The introduction of the action template has proved valuable in recording evidence and supporting locality focussed working.
5. The intention is to provide a summary of local actions from the tasking team to Ward Members which will be included in the quarterly Divisional Community Safety Highlight report. It is anticipated that this information will be included in the report ending 30<sup>th</sup> September 2008.

## **Thematic Sub Groups and Activities**

### Burglary

6. Operation Beacon (Dark nights light up campaign) – This operation ran for a four week period from 15<sup>th</sup> October to 11<sup>th</sup> November 07 across the North East Division. Funding was identified for timer switches and energy saving light bulbs from North East and East Area Management and fitted by local NPTs
7. Trembler alarms: These are a simple battery powered alarm which is fitted near the lock on the inside of the door and activates if the lock or door is shaken. In total funding of £4,500 was obtained via North East and East Area Management and NE Police Division
8. Smartwater: This initiative took place in the Moortown area which had been identified as a burglary hotspot. 100 kits were purchased and used in local households

### Hate Crime

9. The Hate Crime Sub Group continues to case study vulnerable victims and perpetrators of hate crime in the North East area

### Domestic Violence

10. The Domestic Violence Sub Group is currently being restructured to incorporate objectives from the Governments Every Child Matters agenda. Childrens Services East and North East Partnerships leader teams are working closely with the DCSP. The membership of the group is currently being extended, which will enable greater capacity to deliver locally. Some of the deliveries will be cross cutting service boundaries but ultimately this will strengthen partnership work that cuts over two service areas.

### Drugs and Robbery

11. The Drugs and Robbery Sub Group has now been established and the first meeting held on 2<sup>nd</sup> October 07. The membership and attendance at the groups was agreed along with the intelligence required and the format it should be presented in. Harehills and Chapeltown were identified as the robbery hotspots and The Cabin as the drugs hotspot for partnership intervention. Operation Briar ran from 3rd December to 31 December 07 with the intention to prevent and detect robberies, reduce the harm done by drugs misuse, reduce the fear of crime and ASB around the Cabin, and to deter cash in transit robberies around high risk premises.

The following work has been undertaken in the inner North East area:

Consulted with partner agencies on development of geographical problem solving and environmental issues.

The overall mission of North East Divisional Community Safety Partnership is :

**‘To secure sustainable reductions in crime and disorder and address the fear of crime in North East Leeds’.**

DRAFT

# Our Strategic Outcomes

## OVERALL VISION AND STRATEGIC CONTEXT

The Leeds Initiative (the **Local Strategic Partnership**) guides the work of all partnerships in the city towards achieving the long term ambition of the **Vision for Leeds (2004-2020)** of ‘making sure everyone has a better quality of life now and for generations to come’ The Vision commits Leeds Initiative and its partnerships to make sure they: ***‘tackle crime and community safety in everyone of the Vision’s programmes of work’***

The **Leeds Strategic Plan (2008-2011)** will set out how partners across the city will deliver measurable outcomes agreed with Government Office. The LSP has a number of themes. Within each theme are Strategic Outcomes which have a set of Improvement Priorities. These priorities will have a varying degree of relevance and local priority to different areas of the city.

**Area Committees** will be responsible for developing, agreeing and monitoring a local interpretation of the LSP through **Area Delivery Plans (ADPs)**. Key partnership priorities, including those of the DCSP, are included in the ADP and listed on page 4 of this document. There is opportunity however to use this local delivery/service planning and public accountability framework for the work of the DCSP.

The North East Divisional Community Safety Partnership is an operational arm of the Safer Leeds Partnership (CDRP) which supports the delivery and co-ordination of activity at a local level.

To ensure consistency of approach across the DCSPs of the city, each will place equal emphasis on delivering these Strategic Outcomes:

- 1. Creating safer environments by tackling crime**
- 2. Improving lives by reducing the harm caused by substance misuse**
- 3. Supporting victims and reducing the risk of victimisation**
- 4. Reducing offending and managing offending behaviour**
- 5. Improving community confidence and public satisfaction**

The above 5 Safer Leeds outcomes translate across into the Leeds Strategic Plan mainly under the “Thriving Neighbourhoods” theme under the Strategic Outcome (and associated Local Improvement Priorities) of:

- **Reduced crime and fear of crime through prevention, detection, offender management and changed behaviours (Local Improvement Priorities: reduce crime and fear of crime, reduce offending, reduce the harm from drugs and alcohol to individuals and society, Reduce anti-social behaviour)**

There are further cross-cutting LSP outcomes that the DCSP will contribute towards but not have the lead role:

- Improved quality of life through mixed neighbourhoods offering good housing options and better access to services and activities (Thriving Neighbourhoods)
- More inclusive, varied and vibrant neighbourhoods through empowering people to contribute to decision making and delivering local services (Stronger Communities)
- Improved community cohesion and integration through meaningful involvement and valuing equality and diversity (Stronger Communities)
- The Divisional Community Safety Partnership will contribute towards delivery of the 'Every child Matters' government agenda through this plan
- The East and North East Children Leeds wedge leadership teams will be responsible for developing an integrated children's services response to delivering personalised services for children and young people across the five outcomes of Every Child Matters. The DCSP and the Wedge Leadership Teams will work closely together and seek to reduce duplication of effort and maximise joint service responses to cross cutting issues
