Recommendations

1. Purpose of this report

- 1.1 This report recommends amendments to Director sub-delegation schemes to enable business continuity in the event of mass staff absence.

2. Background information

- 2.1 Directors have delegated responsibility in relation to council and executive functions set out in the Constitution. In turn they sub-delegate those functions through the provisions of their sub-delegation scheme.
- 2.2 In the event of the absence of all relevant officers with sub-delegated authority in relation to a matter, responsibility for discharge of that function reverts to the relevant Director.
- 2.3 In the event that authority in relation to a function is reserved to, or reverts to a Director, then the sub-delegation scheme sets out absence provisions for decision making in the event of the Director's absence on leave (whether annual leave, special leave, or sick leave) or where the Director has confirmed in writing that he/she will be absent from the office and these provisions are to apply.

3. Main issues

- 3.1 Consideration has been given to business continuity arrangements in face of the anticipated impact of the Coronavirus. It is possible that the virus will lead to significant staff absence, and that the absence provisions set out in Directors' sub-delegation schemes may become inoperable.
- 3.2 It is therefore recommended that each Director adds the following provision to the end of the absence provisions set out in their scheme:-

“Strictly in exceptional circumstances, such as a global pandemic, where officers with the requisite delegations are incapacitated or absent, functions may be exercised by any officer within the council with suitable experience and seniority who has been appropriately briefed and has sufficient understanding of the matter to be decided.”
- 3.3 The Director's amended sub-delegation scheme is attached at Appendix A to this report.
- 3.4 In the event of decisions being taken by officers not otherwise authorised under a relevant sub-delegation scheme, the report supporting the necessary decision should explain the circumstances and make clear that the officer is acting under this provision, that they have been appropriately briefed, and that they do have sufficient understanding of the matter to be able to take the decision.
- 3.5 The Director is advised to ensure that a record is maintained in relation to any decisions taken under this urgency delegation. Use of the powers will then be reported to Corporate Governance and Audit Committee through the annual assurance report in relation to decision making.
