1. Fresher's Week

Monday 22nd September – 3rd October 08. Freshers' fortnight.
Same for Leeds Met and Leeds University

- Enforcement – flyer licensing
- Police – monster trucks
- Leeds City Centre
- Licensing re: monster vehicle giving out alcohol
- Leeds Met SU "Don't be a tosser" campaign being re-run jointly with Leeds University SU

Streetscene (Andy Mines)

- Increased number of officers in the area
- City centre bin crews will do Saturday/Sunday night runs from the city centre through Headingley
- Target Vodka vans
- Annual temporary installation of additional litter bins from University through Headingley town centre

Police (Insp Croft/ Carole Munsey)

- Inspector Croft to make contact with Taking Liberties (events promoter) regarding irresponsible promotion of events
- To send clear warning to all events/nightclub promoters that use of monster trucks/novelty vehicles will not be tolerated
- Operation walk safe in the evening - will be held again

Appendix 3

Environmental Enforcement (Ruth Lees)

- Pollution control team – 0113 214 62 85
- Flyering will be monitored in terms of ensuring licenses and that activities are not breaching the terms of the license agreement
- Enforcement officers will be out in the area. City's zero tolerance to littering will be followed.
- Use of placards to be investigated in terms of what action can be taken against those using if they are held in front of cars on the highway as in previous years

Arc Inspiration

- Cleaning team out on the streets in Headingley centre
- Re-running campaign re: drinking responsibility

Area Management

- Original Oak have own Freshers' Fair. Speak to the Oak landlord re: flyers van and previous noise complaints about it.

2. Student Changeover 2008

Minutes from 20th March

- Posters to Barrie "Leave Leeds tidy"
- Sara to pass some posters to Anna and Sue
- Tom Stenger to be contact for skips

Streetscene

Bulky items collections starting next week. If anyone has any queries or is asked about collections need to contact elisabeth.ross@leeds.gov.uk

Prop up front line services. Extra collections starting next week as well, running for 4-6 weeks depending on need.

Recyclable goods (but not electrical goods) being stored temporarily at Kirkstall Rd for potential re-use.

Side waste around skips and on street will be picked by Street scene

Re-float glass recycling scheme operating in a small area, and is dependent on volunteers:-

- Kelsalls
- Burley Lodges

Need to ensure all bottle banks in the area are emptied before and regularly during the period. **DL to speak to David Bailey**

Enforcement

Need to give out a clear message out re: enforcement & whether will prosecute

Appendix 3

Extra enforcement officers will be in the area for the period, patrolling and monitoring flytipping and nuisance gardens.

Focus once students have gone will be on landlords

Will be undertaking stop and searches on vehicles taking waste away to ensure that they have the right documentation/permissions

Police/Wardens

Possibility of PCSOs doubling up with enforcement officers to be considered
NPT Insps to speak with Ruth Leeds

Neighbourhood wardens to work in the area during this time, providing an extra resource.

NPT office – 2053025

Sgts office - 2414061 - 2 sgts working at anyone time

Miscellaneous

Idea of distributing clear bin bags instead of black ones for next year, so bag slashers (tatters) can see contents.

Companies taking goods back for students.

DL to produce briefing note for officer briefing session on 19th June with all contact numbers, exact skips locations and other useful information.

Leeds Met to send out a message to students re: changeover, in line with that already done by Leeds University. **David Collett to action**

Amanda Jackson planning on undertaking a tour of the area during this time with Aidan Grill and Sara Gill, anyone else welcome to accompany them.

Both universities considering/planning to target halls of residences, with regard to sending out a message about appropriate behaviour once living in the community.

Leeds University has produced a Community Guide booklet which will go to 1st year students. Been produced quite quickly this year but there will be an opportunity for wider input next year.

Leeds University and Leeds University SU met with Neil Evans (Leeds City Council Director of Environment & Neighbourhoods) and Steve Crocker (Area Manager) to discuss future policy development and partnership work

Any Other Business

Unity day car boot sale on Cinder Moor, on 1st, 8th and 15th June.

Appendix 3

Woodhouse Moor – message needs to get out that bonfires are against the bye-laws of the moor.

A card of condolence to be sent to the family of Pat Regan from the group and suggestion that a minute silence to be held at the next Area Committee.
