Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 10)

See suggested conditions below

b) The prevention of crime and disorder

An incident book shall be used to record all instances of public disorder and incidents at the premises.

The holder of the premises licence shall subscribe to and participate in the local pub watch scheme.

CCTV shall be installed, operated and maintained in agreement with the Police. The system will enable frontal identification of every person entering the premises. The system shall record in real time and operate whilst the premises are open for licensable activities. The recordings shall be kept available for a minimum of 31 days. Recordings shall be made available to an Authorised Officer or a Police Officer (subject to the Data Protection Act 1998) within 24 hours of any request.

Clear and prominent notices shall be displayed on the premises warning customers of the need to guard their property and to be aware of the operation of thieves, etc. The notices shall advise customers to report concerns to the designated premises supervisor or the person in charge of the licensed premises.

c) Public safety

All exit routes shall be kept unobstructed, with non-slippery and even surfaces, free of trip hazards and clearly identified.

All exits doors shall be maintained easily operable without the use of a key, card, code or similar means.

Exit doors shall be regularly checked to ensure that they function satisfactorily, and a record of the check shall be kept.

Adequate and appropriate supply of first aid equipment and materials must be available on the premises at all times.

d) The prevention of public nuisance

In the event of complaints of noise received and substantiated by the council's noise officers, the licensee shall cease the activity of live music and appoint a noise consultant registered with the Institute of Acoustics or Association of Noise Consultants to prepare a scheme of further sound insulation and noise control measures, which may include the recalibration of the noise limiting device, to prevent persons in the neighbourhood from being unreasonably disturbed by noise of music, including live music and amplified music. The scheme shall be submitted for approval by the Council, and the approved scheme fully implemented to the satisfaction of the Council and the licensee notified in writing accordingly, before live music and dancing can resume at the premises.

Where a noise limiting device is installed, the system must be set by the appointed noise consultant to maximum music noise levels approved by, and in conjunction with, the Council's Pollution Team. The noise limiting device shall be checked and calibrated to the agreed sound levels by the Acoustic Consultant annually and the calibration certificate submitted to the Licensing Team.

The rear garden be closed at 23:00 each day.

Doors and windows to the premises will be kept closed, so far as practicable, at all times when noise generating regulated entertainment is taking place i.e. live and recorded music.

A dedicated licensed taxi/mini cab service shall be available with the premises for customers. Bottling out from the premises is prohibited between 23:00 hours and 08:00 hours.

Refuse such as bottles must be placed into receptacles outside the premises at times that will minimise the disturbance to nearby properties

The contact telephone number for the premises' duty manager shall be displayed inside the premises or immediately outside the premises such that it is clearly visible from outside without the need to enter the premises.

e) The protection of children from harm

The licensee shall adopt the Challenge 25 and the BII National Standards Proof of Age Scheme

The licensee shall ensure that staff are trained about age restricted products and ensure that they sign to confirm that they have understood the training. The licensee shall keep records of training and instruction given to staff.

No persons under the age of 16 shall be admitted on the premises after 21:00, with the exemption of a private pre booked party.

The licensee should regularly monitor staff to check how they are dealing with young people who ask for alcohol and other age restricted products.

The licensee shall put arrangements in place to ensure that before serving alcohol to young persons, staff ask to see accredited proof of age cards e.g. Citizencard, a Passport, or UK Driving Licence bearing the photograph and date of birth of the bearer.

The licensee and staff should note any refusals to sell to young people in the incident book. The incident book shall be made available for inspection by the licensing team, police or trading standards

- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
