Dear Jane,

Please accept this e-mail as confirmation that the applicant has agreed to amend the application for the Court Hotel.

Therefore the new operating hours applied for are Sunday to Thursday to 11pm, and midnight on Friday and Saturday only, as it was never our intention to use the later hours on the original application.

In addition we have amended our operating schedule to include both suggested sets of conditions from the EHO and Police.

We have written to all the other parties involved to advise them of this, and have also requested that they contact you if the new measures suggested are reassuring and if they are now happy to withdraw their representations.

If you could send a copy of the letter out again that would be very helpful.

It would also be good if we could engage with the Councillors who raised concerns to see if they are happy to withdraw based on the amendments proposed.

I have cc'd Joseph into this e-mail as he is one of the operators and a someone one based locally have been trying to engage with residents. He is happy to speak to anyone on the phone (or even on a video call) if they want to chat directly to one of the new owners.

I appreciate it is difficult to get everyone to reply to e-mails, so we are happy to attend a remote hearing when this can be scheduled.

Regards
