Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 10)

Music level : both recorded and live music is to be loud enough to be heard within the premises with the intention of not disrupting local businesses and any local residents.
We are having a master volume control for the speakers located behind the bar area so staff have complete control over the volume.
Deliveries will be arranged to ensure they do not clash with peak commuting traffic and where possible the rear entrance used for deliveries.
The system we are using does not involve large keg deliveries so could easily be delivered in smaller delivery vans rather than large wagons.
All alcohol will be bought from licensed wholesalers and no tobacco sales will be offered.
Signage will be present on all fire exit routes and regular emergency light testing to ensure they are in working order.
'keep noise to a minimum' signs will be present on all exit routes to ensure customers do not disrupt local residents, when leaving and waiting on taxi's.
SIA door staff will be used when the event requires it as such and will be ensuring licensing objectives are adhered to.

b) The prevention of crime and disorder

SIA door staff used when required
door staff / bar staff will monitor number of people to prevent overcrowding but persons booking the event will be given a maximum capacity number to ensure free movement.
Pub watch scheme implemented
All glasses and bottles not in use are tidied away as soon as reasonably possible and glass disposed of via a glass recycling bin which is only emptied day time to minimise noise disruption.
Prohibit illegal substances and weapons on the premises.

c) Public safety

CCTV to be installed internally and externally covering the premises
1 member of staff to be first aid trained on site at all times during events.
All fire exits free from debris and obstructions and clearly signed
public liability to be in place and displayed
drinking water to be provided upon request free of charge

d) The prevention of public nuisance

Restriction of alcohol sales to drunk persons
challenge 21 to be used at all times
music levels to be lowered leading up to closing time
deliveries to be done during day time after commuter traffic has died down. We are aiming for all deliveries to be done between 10:00am and 16:00pm and predominantly using the rear door access.
Glass bins not filled or emptied during night hours or early morning. 21:00-08.30

e) The protection of children from harm

Restricted hours for under 18's (21:00)
 no nudity during any event to be performed
 no alcohol to be served to any persons using challenge 21 without proof :

 - UK citizenship card
 - passport
 parents or guardians of the children have to be present at all times.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
