**1. Purpose of this report**

- 1.1 The purpose of this report is to consider the Scrutiny Board's work schedule for the remainder of the current municipal year.

**2. Background information**

- 2.1 All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year. In doing so, the work schedule should not be considered a fixed and rigid schedule, it should be recognised as a document that can be adapted and changed to reflect any new and emerging issues throughout the year; and also reflect any timetable issues that might occur from time to time.

**3. Main issues**

- 3.1 The latest iteration of the Board's work schedule is attached as Appendix 1 for consideration and agreement of the Scrutiny Board – subject to any identified and agreed amendments.
- 3.2 Executive Board minutes from the meeting held on 20 July and 1 September 2020 are also attached as Appendix 2 and 3. The Scrutiny Board is asked to consider and note the Executive Board minutes, insofar as they relate to the remit of the Scrutiny Board; and identify any matter where specific scrutiny activity may be warranted, and therefore subsequently incorporated into the work schedule.

### Developing the work schedule

- 3.3 When considering any developments and/or modifications to the work schedule, effort should be undertaken to:
- Avoid unnecessary duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue.
  - Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.
  - Avoid pure “information items” except where that information is being received as part of a policy/scrutiny review.
  - Seek advice about available resources and relevant timings, taking into consideration the workload across the Scrutiny Boards and the type of Scrutiny taking place.
  - Build in sufficient flexibility to enable the consideration of urgent matters that may arise during the year.
- 3.4 In addition, in order to deliver the work schedule, the Board may need to take a flexible approach and undertake activities outside the formal schedule of meetings – such as working groups and site visits, where necessary and appropriate. This flexible approach may also require additional formal meetings of the Scrutiny Board.

### Developments since the previous Scrutiny Board meeting

- 3.5 The On 16 March 2020, in light of the Covid-19 pandemic, Leeds City Council took the necessary step to cancel a number of planned meetings of various Committees, Boards and Panels. This included all Scrutiny Board meetings and any joint scrutiny arrangements where the Council acts as the lead authority.
- 3.6 In cancelling Scrutiny Board meetings it was acknowledged that, after the urgency of the initial stages of the pandemic response, there would be opportunity to reflect and identify any lessons learned across different service areas and statutory local authority scrutiny functions would have an important role to play in this process.
- 3.7 With Council services focused on the urgent pandemic response and subsequent city recovery plan, the usual collaborative process of annual work programming for Scrutiny Boards was also suspended. However, in May 2020 all Scrutiny Boards were briefed on decision making relating to the areas of the pandemic response that fell within their respective remits and this may influence members’ priorities for the 2020/21 work programme.
- 3.8 In June 2020 remote public sessions of all Scrutiny Boards were introduced. There is a degree of continuing uncertainty about how future meetings will be hosted – they may be hosted remotely, be buildings-based or involve a hybrid approach. However, all meetings have been scheduled in such a way as to ensure they can continue to be resourced remotely if that is the required approach.

## **4. Consultation and engagement**

- 4.1.1 The Vision for Scrutiny states that Scrutiny Boards should seek the advice of the Scrutiny officer, the relevant Director(s) and Executive Member(s) about available resources prior to agreeing items of work.

## **4.2 Equality and diversity / cohesion and integration**

- 4.2.1 The Scrutiny Board Procedure Rules state that, where appropriate, all terms of reference for work undertaken by Scrutiny Boards will include 'to review how and to what effect consideration has been given to the impact of a service or policy on all equality areas, as set out in the Council's Equality and Diversity Scheme'.

## **4.3 Council policies and the Best Council Plan**

- 4.3.1 The terms of reference of the Scrutiny Boards promote a strategic and outward looking Scrutiny function that focuses on the best council objectives.

### Climate Emergency

- 4.3.2 When considering areas of work, the Board is reminded that influencing climate change and sustainability should be a key area of focus.

## **4.4 Resources, procurement and value for money**

- 4.4.1 Experience has shown that the Scrutiny process is more effective and adds greater value if the Board seeks to minimise the number of substantial inquiries running at one time and focus its resources on one key issue at a time.
- 4.4.2 The Vision for Scrutiny, agreed by full Council also recognises that like all other Council functions, resources to support the Scrutiny function are under considerable pressure and that requests from Scrutiny Boards cannot always be met.

Consequently, when establishing their work programmes Scrutiny Boards should:

- Seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources;
- Avoid duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue;
- Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.

## **4.5 Legal implications, access to information, and call-in**

- 4.5.1 This report has no specific legal implications.

## **4.6 Risk management**

- 4.6.1 This report has no specific risk management implications.

## **5. Conclusions**

- 5.1 All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year. The latest iteration of the Board's work schedule is attached as Appendix 1 for consideration and agreement of the Scrutiny Board – subject to any identified and agreed amendments.

## **6. Recommendations**

- 6.1 Members are asked to consider the matters outlined in this report and agree (or amend) the overall work schedule (as presented at Appendix 1) as the basis for the Board's work for the remainder of 2020/21.

## **7. Background documents<sup>1</sup>**

- 7.1 None.
