Regarding

The New Middleton  
4 Thorpe Street  
LS10 4HD

I Julie Jackson also want to surrender the premises licence for The New Middleton. The date of surrender was the same date as my personal licence.

We can not access the document i.e. premises licence for The New Middleton, it appears David had people in to clean up and now it can't be found, possibly in bin. The New Middleton is closed and they have no date in which to reopen.

yours Sincerely  
Julie Jackson
