**1. Purpose of this report**

1.1 The purpose of this report is to consider the Scrutiny Board’s work schedule for the remainder of the current municipal year.

**2. Background information**

2.1 All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year. In doing so, the work schedule should not be considered a fixed and rigid schedule, it should be recognised as a document that can be adapted and changed to reflect any new and emerging issues throughout the year; and also reflect any timetable issues that might occur from time to time.

**3. Main issues**

3.1 The latest iteration of the Board’s work schedule for the remainder of the municipal year is attached as Appendix 1 for consideration and agreement of the Scrutiny Board – subject to any identified and agreed amendments.

3.2 Executive Board minutes from the meeting held on 24<sup>th</sup> September 2020 are attached as Appendix 2. The Scrutiny Board is asked to consider and note the Executive Board minutes, insofar as they relate to the remit of the Scrutiny Board; and identify any matter where specific scrutiny activity may be warranted, and therefore subsequently incorporated into the work schedule.

### Developing the work schedule

- 3.3 When considering any developments and/or modifications to the work schedule, effort should be undertaken to:
- Avoid unnecessary duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue.
  - Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.
  - Avoid pure “information items” except where that information is being received as part of a policy/scrutiny review.
  - Seek advice about available resources and relevant timings, taking into consideration the workload across the Scrutiny Boards and the type of Scrutiny taking place.
  - Build in sufficient flexibility to enable the consideration of urgent matters that may arise during the year.
- 3.4 In addition, in order to deliver the work schedule, the Board may need to take a flexible approach and undertake activities outside the formal schedule of meetings – such as working groups and site visits, where necessary and appropriate. This flexible approach may also require additional formal meetings of the Scrutiny Board.

### Developments since the previous Scrutiny Board meeting

#### *Consultation on Budget Savings Proposals*

- 3.5 A ‘Financial Challenge’ programme of service reviews has been established to identify savings that will contribute towards closing the estimated revenue budget gap of £118.8m and enable the authority to present a balanced budget position in 2021/22.
- 3.6 Linked to this, all Scrutiny Boards are being consulted during their formal October meeting cycle on the latest summary of Business As Usual (BAU) and Service Review proposals, as reported to the Executive Board at its meeting on 24<sup>th</sup> September 2020. The combined value of these BAU and Service Review proposals is £32.3m (rounded). With an additional £0.3m savings resulting from a review of the capital programme (also reported to September’s Executive Board), the total savings figure is £32.6m which would reduce the estimated budget gap for 2021/22 to £86.2m.
- 3.7 Moving forward, as further savings proposals to address the remaining gap are expected to be brought to the Executive Board over the next couple of months, all Scrutiny Boards will continue to be consulted. Any comments and recommendations made by the Scrutiny Board (Adults, Health and Active Lifestyles) during this consultation process are to be captured within a composite report from Scrutiny to be submitted to the Executive Board for its consideration.

## **4. Consultation and engagement**

- 4.1.1 The Vision for Scrutiny states that Scrutiny Boards should seek the advice of the Scrutiny officer, the relevant Director(s) and Executive Member(s) about available resources prior to agreeing items of work.

## **4.2 Equality and diversity / cohesion and integration**

- 4.2.1 The Scrutiny Board Procedure Rules state that, where appropriate, all terms of reference for work undertaken by Scrutiny Boards will include ‘ to review how and to what effect consideration has been given to the impact of a service or policy on all equality areas, as set out in the Council’s Equality and Diversity Scheme’.

## **4.3 Council policies and the Best Council Plan**

- 4.3.1 The terms of reference of the Scrutiny Boards promote a strategic and outward looking Scrutiny function that focuses on the best council objectives.

### Climate Emergency

- 4.3.2 When considering areas of work, the Board is reminded that influencing climate change and sustainability should be a key area of focus.

## **4.4 Resources, procurement and value for money**

- 4.4.1 Experience has shown that the Scrutiny process is more effective and adds greater value if the Board seeks to minimise the number of substantial inquiries running at one time and focus its resources on one key issue at a time.
- 4.4.2 The Vision for Scrutiny, agreed by full Council also recognises that like all other Council functions, resources to support the Scrutiny function are under considerable pressure and that requests from Scrutiny Boards cannot always be met.

Consequently, when establishing their work programmes Scrutiny Boards should:

- Seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources;
- Avoid duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue;
- Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.

## **4.5 Legal implications, access to information, and call-in**

- 4.5.1 This report has no specific legal implications.

## **4.6 Risk management**

- 4.6.1 This report has no specific risk management implications.

## **5. Conclusions**

- 5.1 All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year. The latest iteration of the Board’s work schedule is attached as Appendix 1 for consideration and agreement of the Scrutiny Board – subject to any identified and agreed amendments.

## **6. Recommendations**

- 6.1 Members are asked to consider the matters outlined in this report and agree (or amend) the overall work schedule (as presented at Appendix 1) as the basis for the Board's work for the remainder of 2020/21.

## **7. Background documents<sup>1</sup>**

- 7.1 None.
