The development and review of these plans, through partnership with local partners and stakeholders will ensure an increased ability to secure improvements to local services impacting on children, young people and their families, with reporting and performance monitoring provided at a meaningful local level for area committees.

DIRECTOR:	Rosemary Archer

LEAD OFFICER FOR FUNCTION SCHEDULE:	Amanda Jackson

OUTCOMES AND PERFORMANCE INFORMATION**LINK TO LEEDS STRATEGIC PLAN OUTCOMES:**

Improved outcomes for children and young people, the vision being all children and young people in Leeds to be happy, healthy, safe, successful and free from the effects of poverty.

This vision informs the planning and work of the Director of Children's Services Unit. It is at the centre of what we do, leading us to improve the lives of children and young people of Leeds.

Specific priorities identified within the CYPP as a means of improving outcomes are attached as an annex.

IMPROVEMENT PRIORITIES:

Specific priorities identified within the CYPP as a means of improving outcomes are attached as an annex.

(E.g. SOA, ward, quarterly, yearly)

Annual review of citywide and local children and young people's plans.

Resident perception annual survey.

Participation events / feedback.

Extended Services Cluster plans (approximately ward level)

GOVERNANCE

DESCRIPTION OF WHAT PROPOSED RESPONSIBILITY COVERS:

The local children and young people's plan outlines key priorities for the five wedge based Children Leeds Partnerships which are part of the Leeds children's trust arrangements.

The Children's Trust approach is based on a strategic commissioning model, with the Director of Children's Services Unit forming the core strategic commissioning unit working with key children's service providers both within and outside the council.

The Director of Children's Services Unit has set an accountability and integration framework to ensure a coherent approach to service planning and accountability and delegation arrangements for council services. The unit coordinates all performance information from within existing departments using the corporate framework and is currently developing a fully integrated performance management system as part of the structure for children's services.

Members of the local area committee will continue to take part in the development and review of the local plan, as an integral part of the area delivery plan, thereby influencing the strategic direction of the plan in relation to the 5 Every Child Matters outcomes and local need.

The committee will have a local democratic oversight, demonstrated by endorsing the plan and local priorities identified within it.

The committee will have an additional monitoring function, ensuring the 5 ECM outcomes and the improved integration of children's services e.g. as with the Breeze Youth Promise, are embedded as part of the delivery objectives of the wedge based Children Leeds Partnership and Area Delivery plans for the Area Committee.

PRACTICAL ARRANGEMENTS – HOW WOULD LOCAL MEMBERS DEAL WITH THE PROPOSED RESPONSIBILITY:

Local members, within their designated corporate roles would act as champions for children's services and act to influence where appropriate. It is proposed that area committees also have specific strategic theme related champions, therefore there will be a strong link and support role from the Children Leeds Area Partnerships to members of the area committees.

There would also be other specific roles such as Corporate Parent, or for example, where members are involved in children's centres, act as school governors or as members of ALMO boards or regeneration boards.

HOW / WHEN WOULD THE SERVICE / FUNCTION REPORT TO THE AREA COMMITTEE:

(E.g. formal and informal arrangements, frequency)

There will be regular reporting to the area committee, in a number of forms. The new role for members of strategic theme champion within area committees, will allow a regular and consistent update of ongoing activities, with the provision of regular reports and presentations to the area committee regarding local progress in improving outcomes. Additionally there may be informal arrangements in place with ward councillors regarding specific ward related issues.

MANAGEMENT AND CO-ORDINATION

PROPOSED ARRANGEMENTS FOR SERVICE / FUNCTION IN 2008/09:

The Director of Children's Services Unit is responsible for the strategic management and leadership of children's services but does not have day-to-day operational management responsibilities for the key children's services. Operational management for council run services, for example Early Years and Youth Services, are delivered and managed by the relevant Chief Officer. These Chief Officers, along with providers such as Education Leeds, Leeds Primary Care Trust and the voluntary sector, together with the Director of Children's Services form the Children's Services Leadership Team, which operates within the context of the wider children's trust arrangements.

TYPE AND DETAIL OF PROPOSED ARRANGEMENTS:

Centrally Managed Service With Management Contacts for Each Area	Undertaken by Chief Officers on behalf of the Director of Children's Services
Locally Managed Service With Some Central Support/Technical Expertise/Co-Ordination	Locality Enablers, on behalf of the Director of Children's Services, coordinate and influence the work of partners in the development of a local area plan.

The Children's Plan

The CYPP supports the ['Vision for Leeds'](#) and the Local Area Agreement through recognizing how improvements in these strategic aims will benefit the lives of children and young people in Leeds.

LINKS TO OTHER CITY COUNCIL SERVICES:

City Council Services e.g. Social Care, are partners within the local Children Leeds partnerships and therefore have an active part in achieving the outcomes within the local plan. Increasingly this relationship is reaching into other less obvious areas, such as housing, which impact significantly on outcomes for children and young people.

LINKS TO OTHER PUBLIC SECTOR PARTNER SERVICES:

Other Public Sector Services, e.g. health and police, are partners within the local Children Leeds partnerships and therefore have an active part in achieving the outcomes within the local plan. This is particularly the case for those partners named as 'relevant partners' such as police and probation. Representatives of the area Local Safeguarding Children's Board and also the Area Management Board (Education) are also members of the local Children Leeds partnership

CONTRACT / COMMISSIONING**DESCRIPTION OF ANY CONTRACT / COMMISSIONING / SERVICE LEVEL AGREEMENTS FOR SERVICE / FUNCTION:**

Some partners, including council services, will act in the role of provider/commissioner. In these cases hosting agreements will be in place. The agreement acknowledges and places on record a *leadership* role for the specific area of work being undertaken by the partner on behalf of the Director of Children's Services. It provides for the leadership of, and a framework for, securing effective partnership working to develop new strategies, initiatives, pilots or projects as required. The Agreement document will form an appendix to the Service Improvement Plan/Business Plan of the partner service / agency.

ANY KEY CURRENT / FUTURE ISSUES FOR AREA COMMITTEE TO BE AWARE OF REGARDING SERVICE / FUNCTION

The Children Leeds area (wedge) partnerships are presently in the initial stages of discussion with Schools AMB (Area Management Boards) around becoming a single more cohesive partnership that will encourage and enable more integrated working, as part of ongoing work to develop the Children's Trust Arrangements, specifically the locality dimension. This work is being undertaken to ensure a more effective mechanism for delivery of outcomes for children, young people and families, within the context of both the Area Delivery Plan and the Leeds Strategic Plan.

Other roles without detailed additional information at present

Grounds Maintenance

This covers various elements of maintenance work including grass cutting, shrub and rose bed maintenance and hedge maintenance. The current Ground Maintenance Contract runs to February 2010.

Environmental Services currently has the contract administration function for this contract which it carries out on behalf of the three ALMO's and Highways Services. An annual Service Improvement Plan is produced and ways to engage local members in this will be considered over the course of 2008/09.

A procurement timetable is in place for a new Grounds Maintenance Contract from March 2010. Work on this will include details on the contract package, contract administration and opportunities for the involvement of local Members in service planning, prioritisation and monitoring. There is currently, therefore, no detailed function schedule for this function at present.

Area Based Regeneration Schemes and Town and District Centre Projects

Area Committees will have responsibility for formal consultation and monitoring of area based regeneration schemes and town and district centre projects. Consistent arrangements for this will be developed, linked to the implementation of a new staffing structure in the Regeneration Service and based on experience to date with a number of local schemes. Any future new capital funding availability would be subject to a process to be agreed by Executive Board. A more detailed function schedule for this responsibility will be developed over the course of 2008/09.

Advertising on Lampposts

The council has agreed a 15 year contract for the installation of advertising on lamp posts. This will generate income for each site and may eventually result in advertising on around 800 sites across the City. Area Committees will receive a 20% share of the annual income for every lamp post site which has planning consent to spend on local priorities.
