Dear Councillor

EXECUTIVE BOARD – 16TH JULY 2008 – LATE ITEM

The Chair has admitted a further late item to the meeting to be held on Wednesday. The report, which is on the subject of the Transport Innovation Fund Pump Priming Bid is attached to this letter and I would be grateful if you could include it with your papers for the meeting.

The report could not be prepared for distribution with the agenda pending advice that government would support the bid and, as the two year programme of work is scheduled to commence this month, the Chair has agreed to admission as a late item to the agenda.

Yours sincerely

Ian Walton
Principal Governance Officer
