White Paper Amendment	A1 to WP2	10/11/20	10/11/20

Submitted by: Councillor Jonathan Bentley
 Relevant Board/Regulatory Panel: Executive Board
 Executive Member/Chair: Executive Member (Communities)
 Relevant Director: Director of Resources and Housing

In third paragraph remove all after “tragedy” and replace with:

“Council therefore supports the End Our Cladding Scandal campaign’s ten step plan to tackle this mounting crisis, particularly step 3 that proposes the Government should provide money up front and then seek to recover it from any responsible parties or via a temporary levy on development”

Revised motion will read:

This Council believes it is a scandal that hundreds of private leaseholders in Leeds still live in high rise flats with dangerous cladding, despite it now being over 3 years since the tragic Grenfell Tower fire. Council believes it is unfair that many residents who bought their properties in good faith now face both the immediate cost of having to fund waking watches, as well as not knowing whether they will one day wake up to a financially crippling bill from their building owner for remedial works. This is in addition to the increased impact on the mental wellbeing of individuals held to ransom in this way at a time of steadily rising unemployment.

Council believes it is time for firm action from the Government rather than continued broken promises, to avoid a repeat of the Grenfell Tower tragedy. Council therefore supports the End Our Cladding Scandal campaign’s ten step plan to tackle this mounting crisis, particularly step 3 that proposes the Government should provide money up front and then seek to recover it from any responsible parties or via a temporary levy on development.
