**RESOLVED** – That, in accordance with Regulation 4 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, the public be excluded from the meeting during consideration of the following parts of the agenda designated as exempt from publication on the grounds that it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present there would be disclosure to them of exempt information so designated as follows:-

It is considered that the release of such information would, or would be likely to prejudice the Council’s commercial interests in relation to other similar transactions. Prior to the meeting, Board Members were in receipt of an addendum which supplemented the submitted report and which included updated information, and as a result, a set of revised recommendations for the Board to consider. (Minute No. 74 refers).

Agenda Item 18 - Update on Coronavirus (Covid-19) Pandemic – Response and Recovery Plan

With the agreement of the Chair, a late item of business was admitted to the agenda entitled, ‘Update on Coronavirus (COVID-19) Pandemic – Response and Recovery Plan’.

Given the scale and significance of this issue, it was deemed appropriate that a further update report be submitted to this remote meeting of the Board.

However, due to the fast paced nature of developments on this issue, and in order to ensure that Board Members received the most up to date information as possible, the report was not included within the agenda as originally published on 10th November 2020. (Minute No. 86 refers).

**74 Financial Health Monitoring 2020/21 – Month 6**

The Chief Officer (Financial Services) submitted a report which set out the Council's projected financial health position for 2020/21 as at Month 6 of the financial year. The report projected a gap of £30.5m, following the receipt of an additional £20.5m funding from the government.

Prior to the meeting, Board Members received an addendum to the submitted report, which provided updated information regarding how the Council intended to resolve the estimated 2020/21 budget gap due to the impact of COVID-19. The addendum highlighted the decision to utilise reserves to manage the financial position in 2020/21 and deliver a balanced budget. The Council, as a consequence, had withdrawn the application to Government for a capitalisation directive, with the addendum presenting the Board with a revised set of recommendations as a result.

Members welcomed the updated information which had been provided, acknowledged the significant work which had been undertaken throughout the pandemic to get the Council to the current position, and thanked all those involved for their efforts. It was also noted that, as referenced elsewhere on the agenda, work would continue with regard to the management of 2021/22 budget and beyond.

Responding to a Member's enquiry, the Board received further information on the reserves being used to deliver a balanced budget, specifically the planned application of an earmarked reserve of £25.65m, and the financial implications of that for the Council moving forward.

Also, in response to a Member's enquiry, the Board received further details on the levels of inflation which were being experienced in terms of external residential placement costs and independent foster agency costs, with clarification being provided on the reasons for those increased costs and how such matters were being taken into consideration and managed as part of the directorate's budget strategy for the current year and moving forward. As part of this discussion, it was emphasised that similar to Leeds, other Local Authorities were experiencing costs pressures regarding external residential and independent foster agency placements.

Responding to a Member's specific enquiry regarding the projected interest payments on the Council's debts for the current financial year, and regarding the levels of projected inflationary pressures in the medium term, officers undertook to provide the Member in question with this information.

Whilst the separate tranches of Government funding received were welcomed, emphasis was placed upon the difficulties which continued to be experienced in managing the Council's financial position. With that in mind, Members considered the principle of sending correspondence to the Treasury on a cross-party basis about the losses in Council Tax and Business Rates income that the Council has incurred. In considering this matter, Councillor A Carter advised that whilst he agreed with the principle of approaching the Treasury on this, the Conservative Group would make their own representations.

In taking into consideration the contents of the submitted report together with the addendum and the revised recommendations within it, it was

**RESOLVED –**

- (a) That in noting the comments of Councillor A Carter, as outlined above, appropriate correspondence to the Treasury be drafted up on a cross-party basis for relevant Members' consideration regarding the losses in Council Tax and Business Rates income that the Council has incurred;
- (b) That the projected financial position of the Authority as at Month 6 of the financial year, together with the projected impact of COVID-19 on that position, be noted;
- (c) That it be noted that the position reported does not reflect the potential effects of any further local or national lockdown arrangements not yet introduced, which could impact on the financial projections as detailed in the report;
- (d) That it be noted that for 2020/21 the Authority has withdrawn its application for a capitalisation directive to Government, with it also being noted that full details of how the Council will achieve a balanced budget will be incorporated into the Month 7 Financial Health monitoring report which is to be received by Executive Board in December 2020.

(Under the provisions of Council Procedure Rule 16.5, Councillor A Carter required it to be recorded that he abstained from voting on the decisions referred to within this minute)

Responding to a specific Member's enquiry regarding the extent to which the Council's Capital Programme had increased by between 2014/15 and the current financial year, and the extent to which that increase was being paid for by borrowing, officers undertook to provide the Member in question with that detail following the meeting.

- (c) That it be noted that the borrowing required to fund the capital programme in 2020-21 has reduced by £77.9m since the capital programme setting in February 2020, mainly by delaying schemes that require borrowing. With it also being noted that the capital programme remains affordable within the approved debt budget for 2020-21, and that further work is underway through regular capital programme reviews to ensure that future debt increases are limited;
- (d) That the following £9.55m of grants and contributions injections into the capital programme be approved, as set out below and as detailed within Appendix B to the submitted report:

The report also presented a series of savings proposals to contribute towards the Council achieving a balanced budget for 2021/22 and, where appropriate, sought agreement to begin meaningful consultation with staff, trade unions, service users and the public as required.

In considering the range of proposals within the submitted report and the ongoing service reviews taking place, a Member specifically emphasised the key role played by Neighbourhood Networks, and also the importance of services in communities, such as the provision of bowling greens.

The transparency of the approach being taken by the submission of reports to the Board for consideration was highlighted, whilst a Member noted what they deemed to be the varying approaches to this process being taken by the different directorates.

As part of the introduction to the report, the Board was made aware of correspondence which had been received relating to some of the proposals detailed.

A Member highlighted the importance of ensuring that local Ward Councillors were briefed and consulted at an early stage as part of any proposals regarding property disposal. In response, it was undertaken that further liaison would be had with the Member in question about the timing of Ward Councillor consultation, especially in instances where proposals were not yet in the public domain.

Regarding the proposal in the submitted report on the disposal of four industrial units at Logic Leeds, in considering this specific proposal, a Member highlighted how in terms of the Council's overall approach to such matters, the correct balance needed to be struck between keeping and disposing of properties with an income stream, in order to maximise the benefit for the Council. Discussion was also had around a specific tenant which rented premises at the Logic Leeds site.
