

Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being or has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

A brief statement of the reasons for the decision¹

Since 2009, Leeds City Council's Learning Places Programme has created over 11,500 primary school places across the city in response to rising birth rates which increased from 7,500 per year in 2001 to a peak of 10,350 in 2012. For the academic year starting in September 2018, a total of 1,600 new primary learning places were created to meet the continued demand and in 2019 315 were delivered. Since the peak in 2012 the birth rate has been declining resulting in the requirement for fewer permanent primary places and a decrease in the number of temporary or bulge solutions.

As expected, as children move through primary and into secondary school, the demand

for year 7 places has started to rise with 9254 places allocated for the academic year 2019/20 (an increase by nearly 300 children on the previous year) Projections estimate that in 2020/2021 it will increase by nearly 500 children and then by a similar amount in 2021/2022.

There are specific areas of pressure across the City across in relation to secondary school place requirements. The growing pressure in Central Leeds has been known for some time and the proposal is to place a bulge cohort of 60 additional pupils at Leeds City Academy in Woodhouse in September 2020 and September 2021 to help meet the demand for pupil places in the city. The bulge cohorts at Leeds City Academy are only temporary and therefore once pupils have completed Year 11 the school will revert back to its existing PAN. The works are split into two phases, the first being delivered by the Academy but funded by LCC, and the second being delivered and funded by LCC in partnership with the Leeds Local Education Partnership (LLEP). This tender acceptance report deals with phase 2 only.

Colleagues at the LLEP have undertaken a technical and financial review and confirm that the proposal put forward by the building contractor (Walter West Ltd) offers value for money and they recommend acceptance.

3. Relevance to equality, diversity, cohesion and integration

All the council's strategies and policies, service and functions affect service users, employees or the wider community – city wide or more local. These will also have a greater or lesser relevance to equality, diversity, cohesion and integration.

The following questions will help you to identify how relevant your proposals are.

When considering these questions think about age, carers, disability, gender reassignment, race, religion or belief, sex, sexual orientation. Also those areas that impact on or relate to equality: tackling poverty and improving health and well-being.

Questions	Yes	No
Is there an existing or likely differential impact for the different equality characteristics?		X
Have there been or likely to be any public concerns about the policy or proposal?		X
Could the proposal affect how our services, commissioning or procurement activities are organised, provided, located and by whom?		X
Could the proposal affect our workforce or employment practices?		X
