**Summary**

**1. Main issues**

- Changes to the Council procedure rules in 2016 required that an annual report in respect of the work of Plans Panels (one report to jointly cover the three panels) be prepared and presented to full Council.
- The annual report, covering the period 2019-20 is attached as appendix 1 to this cover report.

**2. Best Council Plan implications** (see the [latest version of the Best Council Plan](#))

- The Development Management service contributes to all of the Council's Best City Priorities either directly or indirectly through the delivery of high quality homes and through sustainable place-making to deliver safe, strong communities. Its work in delivering planning permissions for social housing and assisted living accommodation as well as delivering permissions for new schools, supports the Council to meet its ambitions. Through working with other Council services, Development Management also facilitates, through the legal agreement process, employment opportunities for local people. The planning process is closely tied with the health and wellbeing and climate change agendas through the implementation of the policies in the Core Strategy.

### **3. Resource implications**

- The report identified no specific resource implications.
