Decision	What decision has been taken?			
details ³ :	The Director of Resources:			
	 a) Noted that this decision is a direct consequence of implementing previous Key Decision (D48405, dated 13th February 2019) and was in the contemplation of the decision maker at the time the decision was taken and the award of contract to BT Plc, commencing in March 2020 for a period of 10 years with an estimated total value of £20.3M; and b) Approved the authorisation of the 5G License Agreement to implement a pilot of 20 5G Micro Cells on CCTV and UTC furniture from April 2021. A brief statement of the reasons for the decision BT Plc have committed to the delivery of a 5G network across the Leeds MD which would deliver 80% network coverage to its Social Housing stock and a total district coverage of 70%. This is in addition to the delivery of its Full Fibre infrastructure build to every ward in the Leeds MD across 1400 Corporate and Health Partner locations. The ability to deploy 5G services to residents and businesses aligns with 			
	the Council's inclusive growth ambitions to bring a choice of connectivity types and providers to residents and businesses in Leeds.			
	Connectivity is recognised as a foundation layer which underpins the Council's wider digital inclusion objectives and is referenced in the Best Council Plan 2018 to 2021.			

¹ Give title of Director with delegated responsibility for function to which decision relates.

² If the decision is key and has appeared on the list of forthcoming key decisions, the title of the decision should be the same as that used in the list

³ Simply refer to supporting report where used as these matters have been set out in detail.
