Director of Resources

Introduction

The⁴ Director of Resources is authorised in accordance with the Officer Delegation Scheme to carry out functions on behalf of Full Council and the Executive. Each Director has the benefit of a number of delegations – these are set out separately in two schemes; one for Council functions (delegated by Full Council) and one for Executive Functions (delegated by the Leader of Council). Each scheme is further separated into the general functions which are shared so that all Directors can carry out those functions in relation to areas within their remit, and specific functions which may only be carried out by or on behalf of the named Director. Details of those delegations can be found in Part 3 of the Council’s Constitution. Follow these links to find delegations in relation to [Council Functions](#) and [Executive Functions](#).

The Director has chosen to sub-delegate some or all of those functions to officers of suitable experience and seniority in his/her own directorate or in another directorate. These officers are identified by reference to their job title rather than by name. If the Director delegates functions to a fellow Director he/she makes it clear in this sub-delegation scheme whether that Director can sub-delegate those functions. This scheme details the officers who can carry out each function on the Director’s behalf, together with the details of any terms and conditions which the Director has imposed on that sub-delegation (examples can be found in footnote⁵ below). All officers are bound by the [Employee Code of Conduct](#) and should consider these together with any other rules or requirements in relation to personal conflicts of interest which may apply to them when exercising authority delegated under this scheme.

Even though the Director has sub-delegated the functions he/she remains accountable for all decisions taken in accordance with this scheme.

⁴ Insert title of Director here.

⁵ The Director may limit the delegation by imposing a term or condition, for example he/she may:-

- Impose a financial limit (e.g. decisions up to and including £100,000per annum in value);
- Impose a limit in relation to the category of the decision (e.g. Administrative decisions only);
- Require that certain decisions are referred to the Director or another senior officer (e.g. Key decisions to be referred to the Chief Officer (Environmental Action));
- Require an officer to consult specified people before making a particular type of decision (e.g. in consultation with the City Solicitor or in consultation with relevant ward Members);
- Limit decisions to those within an officer’s role (e.g. in relation to matters within their remit);
- Limit decisions to those relating to a specific function or project (e.g. decisions relating to the Basic Need Programme);

An officer with sub-delegated authority may decide not to exercise that authority, or the Director may indicate that the authority should not be exercised, in respect of any individual matter. In either case that matter should be referred to the Director for a decision or for referral to the relevant Committee if appropriate.

In some circumstances not all Directors have functions delegated to him/her in the delegation scheme. In these cases the relevant part of this sub-delegation scheme is marked as 'not applicable'.

Where the Director has chosen not to sub-delegate his/her authority, this is clearly stated within the scheme. Decisions in relation to those functions should be taken by the Director unless the absence provisions at the end of this scheme apply.

Executive Functions –

Introduction

The functions set out in this part of the sub-delegation scheme are Executive Functions as defined by the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended)¹⁰ which have been delegated to the Director by the Leader of Council. If the Leader or relevant Executive Member¹¹ directs that the Director should not exercise his/her delegated authority in respect of any Executive function, then the officer with sub-delegated authority may not exercise that authority, and the matter must be referred to Executive Board.

Decisions in relation to these functions should be categorised in accordance with [Article 13](#) and taken in accordance with [the Executive and Decision Making Procedure Rules](#).

Where a Key Decision is proposed in relation to an Executive Function it should be publicised on the Council's web site using the Request to add a Key Decision to the 'List of Forthcoming Key Decisions' form. The decision itself should be supported by a report to the decision maker on the corporate report template and recorded on a Delegated Decision Notice. The necessary templates can be found in the [Decision Making Toolkit](#). In most cases a Key Decision will be open to Call In and should not be implemented until the Call In period has expired.

Where a Significant Operational Decision is taken in relation to an Executive Function it should be supported by a report to the decision maker on the corporate report template and recorded on a Delegated Decision Notice. The report supporting the decision should be published together with the Delegated Decision Notice on the Council's website as soon as practicable after the decision has been taken. A Significant Operational Decision may be implemented immediately.

Where an Administrative Decision is taken in relation to a Council Function you should keep a written record for audit purposes. You can use a Delegated Decision Notice to make this written record if it is helpful to do so. There is no requirement to publish the decision and it may be implemented immediately.
