

Work Schedule

Date: 13th October 2021

Report of: Head of Democratic Services

Report to: Scrutiny Board (Children and Families)

Will the decision be open for call in? Yes No

Does the report contain confidential or exempt information? Yes No

What is this report about?

Including how it contributes to the city's and council's ambitions

- All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year. In doing so, the work schedule should not be considered a fixed and rigid schedule, it should be recognised as a document that can be adapted and changed to reflect any new and emerging issues throughout the year; and also reflect any timetable issues that might occur from time to time.
- The Scrutiny Board Procedure Rules also state that, where appropriate, all terms of reference for work undertaken by Scrutiny Boards will include 'to review how and to what effect consideration has been given to the impact of a service or policy on all equality areas, as set out in the Council's Equality and Diversity Scheme'.
- The latest iteration of the Board's work schedule is attached to this report for the Board's consideration.

Recommendations

Members are requested to consider and discuss the Scrutiny Board's work schedule for the 2021/22 municipal year.

Why is the proposal being put forward?

1. All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year and therefore the latest iteration of the Board's work schedule for the remainder of the municipal year is attached as Appendix 1 for Members' consideration.
2. The latest Executive Board minutes from the meeting held on 22nd September 2021 are also attached as Appendix 2. The Scrutiny Board is asked to consider and note the Executive Board minutes, insofar as they relate to the remit of the Scrutiny Board; and consider any matter where specific scrutiny activity may also be warranted.

Developing the work schedule

3. When considering any developments and/or modifications to the work schedule, effort should be undertaken to:
 - Avoid unnecessary duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue.
 - Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.
 - Avoid pure "information items" except where that information is being received as part of a policy/scrutiny review.
 - Seek advice about available resources and relevant timings, taking into consideration the workload across the Scrutiny Boards and the type of Scrutiny taking place.
 - Build in sufficient flexibility to enable the consideration of urgent matters that may arise during the year.
4. In addition, in order to deliver the work schedule, the Board may need to take a flexible approach and undertake activities outside the formal schedule of meetings – such as working groups and site visits, where necessary and appropriate. This flexible approach may also require additional formal meetings of the Scrutiny Board.

Developments since the previous Scrutiny Board meeting

5. Following the Scrutiny Board's September meeting, an additional item had been placed on the agenda for today's meeting in relation to the Leeds Youth Justice Plan. As a Budget and Policy Framework document, the Scrutiny Board has been asked to consider the new Leeds Youth Justice Plan 2021 - 24 prior to it being considered by Executive Board in November 2021 and then taken to full Council in January 2022 for approval and adoption.

7. The Vision for Scrutiny also states that Scrutiny Boards should seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources prior to agreeing items of work.

What are the resource implications?

8. Experience has shown that the Scrutiny process is more effective and adds greater value if the Board seeks to minimise the number of substantial inquiries running at one time and focus its resources on one key issue at a time.
9. The Vision for Scrutiny, agreed by full Council also recognises that like all other Council functions, resources to support the Scrutiny function are under considerable pressure and that requests from Scrutiny Boards cannot always be met.
10. Consequently, when establishing their work programmes Scrutiny Boards should:
 - Seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources;
 - Avoid duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue;
 - Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.
