In considering the report, Members highlighted the importance of acknowledging the individuality of each local centre and welcomed the fact that bidding processes for external funding streams would be undertaken for

appropriate schemes across the city. It was also noted that the actions being taken to progress this agenda including the Board's consideration of this report would help to ensure that the Council had a firm basis on which to maximise its opportunities to successfully bid for such funding.

With regard to the provision of 'Changing Places' toilet facilities, the Board received an update regarding the current position in Leeds, and it was undertaken that a further written update would be provided to the Member in question regarding any funding being sought for further provision across the city. Members also discussed the role of the Council in ensuring that developers delivered such facilities in new developments in instances where prior agreement to do so had been reached.

Responding to a Member's comments regarding the proposed approach detailed in the report, it was emphasised that given the financial challenge that continued to be faced the Council was heavily reliant upon external funding streams to deliver the proposals outlined. Members also noted that the overall aim of this agenda was to improve the local and city centre economies whilst also developing sustainable and inclusive growth. The Board received an update on the progress being made on the continued vaccination roll out across the city. Also, responding to an enquiry, information was provided on the actions being taken to monitor the relevant data and promote vaccinations in communities where hesitancy remained.

Regarding Members' comments on a number of issues, the Board received further information on the actions being taken to progress the response and recovery from the pandemic as set out in the appended plan, with particular discussion around the scale of the challenge faced, the ongoing resumption of services, the establishment of new ways of working and the aim of ensuring that services were delivered in the most effective way. Further to Minute No. 52 of the Climate Emergency Advisory Committee (CEAC) meeting held on 18th January 2021, the Director of Resources submitted a report which presented for the Board's consideration the Climate Emergency Advisory Committee's recommendation to the West Yorkshire Pension Fund (WYPF) regarding the divestment from fossil fuels.

In introducing the report, the Executive Member highlighted that although the Council had no direct decision making powers over WYPF, it was appropriate to raise the issue of investment in fossil fuels with the Pension Fund in response to the Climate Emergency, and the prospect of such investments losing value.

The Board discussed this matter in detail and acknowledged that the WYPF Board members had a duty to act in the best financial interests of its members. Also, Executive Board considered the role of the Council in this process and that of WYPF Board members. Members also highlighted how the consideration of the report raised people's awareness of the issue of climate change. At the same time it was acknowledged that the recommendation of CEAC to divest from fossil fuels within three years was not supported due to the financial risks involved. The Council would look to receive information from WYPF regarding progress on divesting from fossil fuels at the appropriate time and in a way that minimised the risk of any losses being incurred.

RESOLVED – That the West Yorkshire Pension Fund be requested to:-

- (i) be explicit about acknowledging the Climate Emergency and the need to divest from fossil fuels;

The Director of Communities, Housing and Environment submitted a report which sought the Board's approval to undertake a consultation exercise upon proposed new criterion for minor motoring convictions for determining the suitability of applicants and licensees as drivers in taxi and private hire licensing.

In introducing the report and in outlining the proposed process moving forward, the Executive Member highlighted the following corrections proposed to be made to the submitted report:

- That the outcomes of the consultation would be considered by Licensing Committee followed by Executive Board, and not the other way around as detailed within the report; and
- That the consultation period be scheduled for 6 weeks duration, rather than the 4 weeks, as detailed within the report.

In considering the report, Members discussed several matters including the importance of continuing to ensure that appropriate safeguarding measures remained in place, the timing of the proposed consultation process, the impact suffered by the taxi trade during the pandemic, the actions being taken to simplify the consultation process for stakeholders and make it as accessible as possible, the actions being taken to provide wider support for drivers as part of the recovery from the pandemic, and addressing the issue of wider harmonisation across neighbouring Authorities.
