<b>Subject<sup>2</sup>:</b>	Horsforth Footpath No. 50 Diversion Order		
<b>Decision details<sup>3</sup>:</b>	<p>What decision has been taken?            (Set out all necessary decisions to be taken by the decision taker including decisions in relation to exempt information, exemption from call in etc.)</p> <p>The Natural Environment Manager authorised the making of a Public Path Diversion Order in accordance with Section 257 of the Town and Country Planning Act 1990, in respect of part of Horsforth Footpath No. 50 shown on Background Paper 1 and to confirm the Order, subject to there being no objections or in the event of objections which cannot be withdrawn, for the order to be referred to the Secretary of State, Department of the Environment, Food and Rural Affairs for determination</p> <p>A brief statement of the reasons for the decision            (Include any significant financial, procurement, legal or equalities implications, having consulted with Finance, PACS, Legal, HR and Equality colleagues as appropriate)            A Public Path Diversion Order is required to allow the development of the school in accordance with planning permission.            The developer will fund the diversion and the replacement path and mitigation measures to reduce the impact on adjoining residents.</p> <p>Brief details of any alternative options considered and rejected by the decision maker at the time of making the decision            The Public Path Diversion Order Application could be turned down, but this would prevent the development proposal going ahead in accordance with the Planning Permission granted.</p> <p>There were no other suitable diversion routes and the extinguishment of this footpath would lead to objections from user groups and the public who use this footpath. Leaving the footpath on its original line and fencing it off on either side would result in safeguarding and management issues for the school</p>
