Dear Sirs

As a resident in the close area I would like to object to the above application on the following grounds:-

- I. We have multiple outlets for both alcohol and tobacco close by, one of which now closes earlier due to antisocial behaviour
- Ii. There are a number of people who drink in the street, dropping litter and bottles. I have had to clear up broken glass on the pavement near by.
- Iii. This will lead to further antisocial behaviour and will make residents feel less safe in the area, with more groups gathering and making it even more intimidating when we walk past.

Kind regards
