### **What is this report about?**

#### **Including how it contributes to the city's and council's ambitions**

- This report provides a summary of performance against the strategic priorities for the council and city and other performance areas relevant to the Environment, Housing and Communities Scrutiny Board.
- This report provides an update on progress in delivering the council priorities in line with the Best Council Plan.
- This report includes the latest available performance information most of which pertains to the end of Quarter 2 (30<sup>th</sup> September 2021).

### **Recommendations**

- a) Members are recommended to note the latest performance information contained in the Appendix to this report and the issues which have been highlighted and consider if they wish to undertake further scrutiny work to support improvement over the coming year in any of these areas.
- b) Members will note that the Best Council Plan (BCP) sets out the council's key objectives and priorities. This report provides an overview of the relevant Environment, Housing and Communities performance relating to this plan, enabling the Scrutiny Board to consider and challenge the council's performance.

### Why is the proposal being put forward?

- 1 That members can consider the latest performance information contained in the Appendix to this report and the issues which have been highlighted and consider if they wish to undertake further scrutiny work to support improvement over the coming year in any of these areas.

### What impact will this proposal have?

**Wards Affected:**

Have ward members been consulted?      Yes      No

- 2 The performance information contained in the Appendix to this report and the issues which have been highlighted are provided for the Board's information.
- 3 This is an information report and not a decision so it is not necessary to conduct an equality impact assessment. However, some of the data provided will link to wider issues of equality and diversity, and cohesion and integration, and there may be occasions when Scrutiny Board members will want to look more closely at these issues, and may request further information to inform their investigations.

### What consultation and engagement has taken place?

- 4 This is an information report and as such does not need to be consulted on with the public. However all performance information is published on the council's website and is available to the public.

### What are the resource implications?

- 5 There are no specific resource implications from this report, although some performance indicators relate to financial and other value for money aspects.

### What are the legal implications?

- 6 All performance information is publicly available and is published on the council website. This report is an information update providing Scrutiny with a summary of performance for the strategic priorities within its remit and as such is not subject to call in.

### What are the key risks and how are they being managed?

- 7 There is a comprehensive risk management process in the council to monitor and manage key risks. The council's most significant risks are available and can be accessed via the council's website.

### Does this proposal support the council's 3 Key Pillars?

Inclusive Growth      Health and Wellbeing      Climate Emergency

- 8 This report supports the Council's 3 pillars by providing performance information for Environment, Housing and Communities that relates to the economic growth of a healthy city with high quality services. It demonstrates what action is being taken to affect

performance (where relevant) and to allow the board to challenge the same and consider whether any further focus should be given to any particular area in supporting these pillars.

- 9 Climate Emergency – The council declared a climate emergency in March 2019 with the stated ambition of working to achieve net zero carbon emissions by 2030 for the city. Parts of the above performance information are linked to actions taking place to address climate emergency and will feed into an assessment of how on track the council is in achieving the target. Services will provide updates to the Board on specific work they are carrying out with regard to this priority.
