For attention of the Licensing Officer,

I have received details that the premises of
Halton News
5 Irwin Approach
LS 15 0DW
has applied for a licence to sell alcohol between the hours of 6am to 11pm.

I would like to object to this for the following reasons:

I am very worried about drunken behaviour around Halton, there are groups of youths that congregate in certain areas near the shops causing a public nuisance.

There have been incidents of stealing alcohol and owner being attacked badly too at local stores already. Grove Road park is very near the shops and we are doing our best as a local voluntary group(Halton Wombles) working alongside Litter Free Leeds to try and keep it clear of broken bottles and cans which is a regular occurrence already.

I am very worried that this could increase.

The park is used on a daily basis by very young children and we want to keep it safe for them, and other members of the public too.

Yours sincerely
