- 6.3 An applicant wishing to obtain a new licence for premises falling within any of the cumulative impact areas must identify, through the risk assessment process and/or the operating schedule, the steps they intend to take so that the council and responsible authorities can be satisfied that granting a new licence would not add to the impact already being experienced.
- 6.4 Details of the cumulative impact policy specific to City Centre and an outline of the evidence behind the reason for setting this policy is attached at Appendix E.
- 6.5 Members are directed to paragraph 7.37 of the Statement of Licensing Policy which provides examples of how an application may demonstrate there will be no impact and paragraph 7.38 which provides examples of the matters that the council would not normally take into consideration.

Applications which are significantly out of character for a locality will need to demonstrate that granting the hours sought will not adversely impact on the licensing objectives.
