<b>Subject<sup>2</sup>:</b>	Request to waive CPRs 8.1, 8.2, 9.1 & 9.2 and award new interim contracts in respect of community based mental health services		
<b>Decision details<sup>3</sup>:</b>	<p>What decision has been taken? (Set out all necessary decisions to be taken by the decision taker including decisions in relation to exempt information, exemption from call in etc.)</p> <p>The Director of Adults and Health approved the waiver of CPRs 9.1 and 9.2 in order to enter into new contracts with Touchstone-Leeds and Community Links (Northern) Ltd and waived CPRs 8.1 &amp; 8.2 in respect of Catholic Care (Diocese of Leeds) as follows:</p> <p>Touchtone-Leeds for the provision of the Community Support Service – issue a new 12 month contract from 1<sup>st</sup> April 2022 to 31<sup>st</sup> March 2023 at a cost of £201,473.</p>		
	<p>A brief statement of the reasons for the decision (Include any significant financial, procurement, legal or equalities implications, having consulted with Finance, PACS, Legal, HR and Equality colleagues as appropriate)</p> <p>These proposals are being put forward to ensure continuity of service whilst the review of community based mental health provision and commissioning arrangements is concluded, and the project team fully explore the options available for longer term commissioning of these services.</p>		

<sup>1</sup> Give title of Director with delegated responsibility for function to which decision relates.

<sup>2</sup> If the decision is key and has appeared on the list of forthcoming key decisions, the title of the decision should be the same as that used in the list

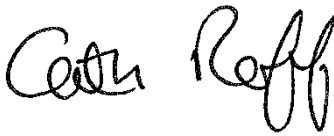

<sup>3</sup> Simply refer to supporting report where used as these matters have been set out in detail.

	<p>Brief details of any alternative options considered and rejected by the decision maker at the time of making the decision</p> <p>The Project Team considered whether it might be possible to conclude the review of community based mental health services before these current contracts end in March 2022. However, the changes being introduced to Health commissioning and procurement through the new Health and Care Bill have not yet been confirmed, and are not anticipated to come into force until April 2022. Trying to conclude the review and the longer term recommissioning of these services without fully understand the options which may be made available to joint LCC and CCG commissioners is not considered to be the best option.</p>
