Dear Sir/Madam

Licensing Act 2003

Name and Address of Premises: The Pavilion, Wakefield Road, Oulton, Leeds, LS26 8EL,

We refer to your licensing application for the above premises. We believe you have not given enough information about how you intend to meet a licensing objective, which is to prevent public nuisance. We therefore submit a formal objection to your application that includes information specifically associated with the premises and the area .

You could meet the objective by agreeing to certain measures that we suggest are reasonable and relevant to your application. Please see part 1 of the enclosed document.

If you agree with the measures please complete and sign part 2 of the enclosed form and return it to us as soon as possible. Once we receive the form we will take it that you wish the licensing authority to amend your operating schedule to include those measures as conditions on the licence. If you disagree with the suggested measures then please complete part 3 and return it to us as soon as possible.

If you feel we should consider anything else or you have any questions please do not hesitate to contact us.

If the opening hours you propose under this application differ to those on the current planning approval then you should also apply to Planning Services to vary the hours. If you

operate without planning permission you may have not met the relevant planning condition.
You can contact Planning Services on 0113 222 4409.

Yours faithfully

Vanessa Holroyd

PART 1

To be completed by the responsible authority

Leeds City Council's Environmental Action Service

Proposed Controlled Measures under the Licensing Act 2003

Name and Address of Premises: The Pavilion, Wakefield Road, Oulton, Leeds, LS26 8EL,

This application is for a sports and social club that is located in a residential area with noise sensitive properties in close proximity. The opening hours applied for are from 09:00 to 24:00 hours with live music and recorded music from 11:00 to 23:00 hours for both external and internal areas including a marquee. In the last few months there has been several complaints concerning loud music from external events held in the marquee. Thus there is potential for noise disturbance from the activities and hours applied for. Also the applicant has offered insufficient measures as to how the club would prevent public nuisance.

Having considered the application under the Licensing Act 2003 for the above premises, we consider that the following measures are relevant and reasonable in order to meet the following aim of the licence:

- Prevention of public nuisance

Noise and Vibration

1. Noise from a licensable activity at the premises will not be audible at the nearest noise sensitive premises at Shelley Crescent, Oulton, LS26 8ER and at Coleridge Close, Oulton, LS26 8ET after 11pm.
2. There shall be no external loudspeakers in use after 10pm.
3. Bottles will not be placed in any external receptacle between 11 pm and 7 am the following day to minimise noise disturbance to neighbouring properties.
4. Noise from plant or machinery shall not be audible at the nearest noise sensitive premises during the operation of the plant or machinery. Plant and machinery shall be regularly serviced and maintained to meet this level.
5. The PLH/DPS will ensure patrons use beer gardens, external areas and play areas in a manner which does not cause disturbance to nearby residents and business in the vicinity. Patrons will not use such areas after 11pm except for smoking.
6. The activities of persons using the external areas shall be monitored after 11 pm and they shall be reminded to have regard to the needs of local residents and to refrain from shouting and anti-social behaviour etc. when necessary.

Transport / Pedestrian Movement

7. Clear and legible notices will be displayed at exits, car parks and other circulatory areas requesting patrons to leave the premises quietly having regard to the needs of local residents, in particular emphasising the need to refrain from shouting, slamming car doors, sounding horns and loud use of vehicle stereos and anti-social behaviour.

8. The designated premises supervisor and any door supervisors will monitor the activity of persons leaving the premises and remind them of their public responsibilities where necessary.
9. A facility will be provided for customers to order hackney taxis/private hire vehicles. Telephone numbers for taxi firms/private hire companies will be displayed in a prominent position on the premises.
