

INNER SOUTH COMMUNITY COMMITTEE

WEDNESDAY, 24TH NOVEMBER, 2021

PRESENT: Councillor A Gabriel in the Chair

Councillors G Almass, S Burke, K Groves,
M Iqbal, E Nash, A Scopes, P Truswell and
P Wray

24 Appeals Against Refusal of Inspection of Documents

There were no appeals.

25 Exempt Information - Possible Exclusion of the Press and Public

There were no exempt items.

26 Late Items

There were no late items. However, some supplementary information to Item 8 (Finance Report) was published and circulated prior to the meeting (Minute 31 refers)

27 Declaration of Interests

There were no declarations of interests.

28 Apologies for Absence

There were no apologies for absence.

29 Minutes

RESOLVED – That the minutes of the meeting held 1st September 2021 be approved as an accurate record.

30 Open Forum

A local resident raised an issue with the quality of the surface dressing on Cross Flats Avenue and surrounding areas. The Highways Officer present, Jeremy Lunn, agreed to look into the matter in more detail.

A local resident raised the issue of drug use in the Inner South wards. Members recognised that the Inner South area has one of the highest rates of drug use, and that the Neighbourhood Inspector (West Yorkshire Police) is working hard to resolve issues. However, Members urged local residents to report activity they have witnessed to the Police to provide them with sufficient

evidence to establish grounds for a warrant to search premises. It was also noted that a national approach is required to tackle drug networks and supply into the area.

31 Finance Report

The Head of Locality Partnerships submitted a report that set out the delegated budget position for the Community Committee and invited Members to consider the minimum conditions and the wellbeing applications submitted.

A further wellbeing application had been submitted as supplementary information for Member's consideration.

The projects set out in the report were discussed and agreed as follows:

Project Title	Wards	Amount requested	Decision
Inner South Pedal Cycle Security	Beeston & Holbeck, Hunslet & Riverside, Middleton Park	£1,460.00 (Wellbeing - Revenue)	Approved
Drop-In & Trips	Beeston & Holbeck, Hunslet & Riverside	£7,800 (YAF)	Approved
Imaginative Intelligence Warriors	Beeston & Holbeck	£3,000 (YAF)	Approved
1-11 Whitfield Gardens	Hunslet & Riverside	£3,812 (Wellbeing - Revenue)	Approved

In response to a query, Members were assured that the Localities Team would seek an update on the Community Infrastructure Levy (CIL) injection expected in October 2021.

It was also noted that the position of a permanent Localities Officer for the Inner South had not yet been filled.

RESOLVED –

- a) That the details of the Wellbeing Budget position be noted
- b) That the wellbeing proposals be approved as detailed above
- c) That the details of the projects approved via Delegated Decision be noted
- d) That the monitoring information of funded projects be noted
- e) That details of the Youth Activities Fund position be noted
- f) That details of the Small Grants Budget be noted
- g) That details of the Community Skips Budget be noted
- h) That details of the Capital Budget be noted
- i) That details of the Community Infrastructure Levy Budget be noted

32 Update Report

Draft minutes to be approved at the meeting to be held on Wednesday, 2nd March, 2022

The Head of Locality Partnerships submitted a report that provided a summary of the work undertaken by the Communities Team based on the priorities identified by the Inner South Community Committee. A Facebook engagement update was appended to the report.

Community Committee Champions provided updates for their respective areas and feedback from recent Sub Group meetings, as set out in the report.

The Chair of Health & Wellbeing Sub Group, Councillor S Burke, presented an example of promotional material for an upcoming Vitamin D campaign, and asked Members to identify any key dates of local events and food bank collections to support distribution. Members agreed to ringfence £1,000 of the wellbeing fund (£333 from each Inner South ward) to the project.

RESOLVED –

- a) That the contents of the report be noted.
- b) That £1,000 (£333 from each Inner South ward) be ringfenced to support the Health & Wellbeing Sub Group's Vitamin D campaign.

33 Highways - Winter Service Update

The Executive Manager submitted a report to provide the Inner South Community Committee with an update on Highways Winter Service. The report and presentation provided the Inner South Community Committee with an update of the Highways Service, following a recent winter service review. The report focussed specifically on the policy and methods for the winter, including snow clearance and road gritting.

The presentation included a demonstration of the Leeds City Council Gritter Tracker, which showed the location of yellow grit bins, along with gritting routes in real time on days when the city is hit by severe weather conditions. It was hoped that this would provide valuable information for residents and ward councillors.

Members discussed a number of matters, including:

- Members identified two school sites in the Inner South that are not currently covered by primary gritting routes - Cockburn High School and Hugh Gaitskell Primary School – and requested that the routes be updated to incorporate roads leading to the schools.
- Members queried the process for refilling of grit bins and were advised that ordinary grit bins are refilled twice a year, whereas 'blue' councillor grit bins are only refilled when the team are advised that they are empty by local councillors. Members suggested that an automated system be developed for refilling of all grit bins and were advised that the service are looking at capacity and additional resource to do so.
- Members raised concern with the current national HGV driver shortage and asked whether the situation was likely to impact on HGV gritter

drivers employed by Leeds City Council. In response, the job security and employment package available, along with a competitive 'standby rate', has proven to be attractive and therefore issues with retention of Council employed drivers are not expected.

RESOLVED – That the contents of the report, along with Member's comments, be noted.

34 Climate Emergency Update 2021

The Chief Officer for Sustainable Energy and Air Quality submitted a report to update the Inner South Community Committee on the Climate Emergency Strategy and progress.

An update was provided to the Inner South Community Committee on the council's climate emergency strategy and recent progress to reduce emissions. This included an overview of measures being taken to retrofit homes and buildings, installation of electric vehicle charging points and biodiversity measures such as tree planting.

Members discussed a number of matters, including:

- *Free Solar Panel Scheme.* Members were asked to encourage eligible local residents to apply for free solar panels and insulation from Leeds City Council and Better Homes Yorkshire that help cut energy bills and keep homes warm. Members noted that linking in with the Neighbourhood Networks would be valuable to communicate messaging around financial support available and assistance during the application process.
- *Electric Vehicle Charging Points.* Members recognised the disadvantage of terraced homeowners without off-street parking, which makes up the majority of the housing stock in the Inner South, in relation to personal electric vehicle charging points. Members were advised that home charging points are not necessary for the average family's car usage, and that the increase in charging points across supermarkets and car parks across the city will be sufficient moving forward to supply energy, without the need for overnight charging.
- *Remote working and reduced travel.* Members highlighted the importance of being mindful of journey's made to meetings, and suggested that council policy be explored to encourage remote meetings wherever possible. It was noted that the Climate Emergency Advisory Committee continue to work on a consultative basis and hold remote meetings for any meetings that do not require decisions to be made, to reduce unnecessary travel and support the council's net zero ambitions.

RESOLVED – That the contents of the report, along with Members comments, be noted.

35 Date and Time of Next Meeting

Draft minutes to be approved at the meeting to be held on Wednesday, 2nd March, 2022

The next meeting will take place 2nd March 2022 at 2.00 p.m.
