### **What is this report about?**

**Including how it contributes to the city's and council's ambitions**

- Dentistry has been a longstanding area of interest to the Adults, Health and Active Lifestyles Scrutiny Board in recognition that oral health is integral to general health and quality of life.
- Having engaged with NHS England back in September 2020 to consider the initial impact of the Covid-19 pandemic on the provision and accessibility of local dental services, the Adults, Health and Active Lifestyles Scrutiny Board expressed a wish to undertake further scrutiny work to understand the current position surrounding access to local NHS dental services from the perspective of primary, community and secondary care services, including urgent dental care services.
- In undertaking this work, the Scrutiny Board agreed to hold a working group meeting on 25<sup>th</sup> February 2022, to which all Board Members were invited to attend. Invitations were also extended to representatives from NHS England & NHS Improvement; Leeds Community Healthcare NHS Trust; Leeds Dental Institute; and Healthwatch Leeds.
- The purpose of this report is to present a summary note of the main issues arising from the working group's discussion, including proposed recommendations, for the consideration and formal ratification of the full Scrutiny Board.
