What is this report about?

Including how it contributes to the city's and council's ambitions

- All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year. In doing so, the work schedule should not be considered a fixed and rigid schedule, it should be recognised as a document that can be adapted and changed to reflect any new and emerging issues throughout the year; and also reflect any timetable issues that might occur from time to time.
- The Scrutiny Board Procedure Rules also state that, where appropriate, all terms of reference for work undertaken by Scrutiny Boards will include 'to review how and to what effect consideration has been given to the impact of a service or policy on all equality areas, as set out in the Council's Equality and Diversity Scheme'.
- Reflecting on the information in this report alongside information presented as part of other agenda items at today's meeting, Members are requested to consider and discuss the any recommendations for the successor board in relation to the work schedule for the next municipal year.
- Members are further asked to note the provisional schedule of meeting dates provided at Appendix 3.

Recommendations

Members are requested to consider and discuss the Scrutiny Board's work schedule and the proposed schedule of provisional dates for meetings of the successor Board for 2022/23.

Why is the proposal being put forward?

1. The latest iteration of the Board's work schedule for the remainder of the municipal year is attached as Appendix 1 for consideration and agreement of the Scrutiny Board – subject to any identified and agreed amendments.

2. Executive Board minutes from the meeting held on 9 February 2022 are attached as Appendix 2. The Scrutiny Board is asked to consider and note the Executive Board minutes, insofar as they relate to the remit of the Scrutiny Board; and identify any matter where specific scrutiny activity may be warranted, and therefore subsequently incorporated into the work schedule for the successor board in the next municipal year.
3. A draft work programme for the 2022/23 successor board is attached at Appendix 3. This incorporates known scrutiny activity such as budget and performance monitoring, and any items members have already requested be referred to the successor board. The Board is asked to formally consider the schedule with a view to recommending the provisional schedule to the successor board – subject to any agreed amendments.

Wards affected: All

Have ward members been consulted? Yes No

4. All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year.
5. The draft work schedule is reflective of the views of the Infrastructure, Investment and Inclusive Growth Scrutiny Board.

What consultation and engagement has taken place?

6. The Vision for Scrutiny states that Scrutiny Boards should seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources prior to agreeing items of work.
7. The current work programme is reflective of that ongoing dialogue with elected members and senior officers.

What are the resource implications?

8. Experience has shown that the Scrutiny process is more effective and adds greater value if the Board seeks to minimise the number of substantial inquiries running at one time and focus its resources on one key issue at a time.
9. The Vision for Scrutiny, agreed by full Council also recognises that like all other Council functions, resources to support the Scrutiny function are under considerable pressure and that requests from Scrutiny Boards cannot always be met.
10. Consequently, when establishing their work programmes Scrutiny Boards should:
 - Seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources;
 - Avoid duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue;
 - Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.
