Indigo, 81 Roundhay Road, LS8 - response to representations.

Dear Matthew,

After reading the letters of objection and the weight of opposition against the hours applied for my client has offered to reduce the hours to the following:

08.00 - 23.30 Every day

These hours, if they are to be granted, would be on the proviso that the planning hours will be extended and until such time he will operate using the existing hours granted by the planning department.

I would appreciate it if you could forward this email to the objectors to see if any or all of the objectors would accept the proposal and therefore remove their objection in full.

Kind Regards
