CODE OF CORPORATE GOVERNANCE

1 INTRODUCTION

1.1 This Code of Corporate Governance sets out the principles and commitments the Council has in place to ensure that its resources are used to achieve defined outcomes for the citizens and communities in the Leeds area.

2 ACHIEVING OUR AMBITIONS

- 2.1 These governance principles enable us to direct and control our activity to achieve our Best City Ambition: Tackling Poverty and Inequality. They bring together the systems, processes, and culture in place across the Council by which we plan and deliver services to the citizens of Leeds in way that shows how the council:
 - Does the right things in the right way;
 - Is open, and transparent about what it does and how and why it does it;
 - Engages with citizens, partners, and stakeholders to plan and deliver outcomes; and
 - Is held to account.
- 2.2 Our Code of Corporate Governance should be read and understood in conjunction with our values which shape our behaviours and underpin the way in which we work to achieve our ambitions.

3 CODE OF CORPORATE GOVENANCE

	Developing capacity (Getting the best out of our resources and our people)		Effective accountability (Ensuring our processes are clear, robust, and open to review)
