Annex 1 – Mandatory Conditions

1. Only individuals licensed by the Security Industry Authority may be used at the premises to guard against:-
 - a. unauthorised access or occupation (e.g. through door supervision), or
 - b. outbreaks of disorder, or
 - c. damage
2. No supply of alcohol may be made under this licence
 - a. At a time when there is no designated premises supervisor in respect of the premises licence, or
 - b. At a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
3. Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.
4. The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises -

- a. games or other activities which require or encourage, or are designed to require or encourage individuals to -
 - i. drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
 - ii. drink as much alcohol as possible (whether within a time limit or otherwise);
 - b. provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;
 - c. provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;
 - d. selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorize anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.
 - e. dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).
5. The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.
 6. The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either -

- a. a holographic mark, or
- b. an ultraviolet feature.

7. The responsible person must ensure that -

- a. where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures:
 - i. beer or cider: ½ pint;
 - ii. gin, rum, vodka or whisky: 25 ml or 35 ml; and
 - iii. still wine in a glass: 125 ml;
- b. these measures are displayed in a menu; price list or other printed material which is available to customers on the premises; and
- c. where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.

8. A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

For the purposes of the condition set out in paragraph 1 of this condition -

- a. "duty" is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;
- b. "permitted price" is the price found by applying the formula $P = D + (D \times V)$ where -
 - i. P is the permitted price,
 - ii. D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and
 - iii. V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol;
- c. "relevant person" means, in relation to premises in respect of which there is in force a premises licence -
 - i. the holder of the premises licence,
 - ii. the designated premises supervisor (if any) in respect of such a licence, or
 - iii. the personal licence holder who makes or authorises a supply of alcohol under such a licence;
- d. "relevant person" means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and
- e. "value added tax" mean value added tax charged in accordance with the Value Added Tax Act 1994.

Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from this paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

- (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax.
- (2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

Embedded Restrictions

9. The permitted hours shall commence:-
 - On days, other than Sundays and Christmas Day, at 11 am.

- a) is likely to cause disorder or breach of the peace;
 - b) is likely to be grossly offensive to any person on the premises;
 - c) involves drugs misuse; or
 - d) involves any other unlawful activity.
23. The Licensee, or some other responsible person not less than eighteen years of age *and nominated in writing for the purpose, shall be in charge of, and remain upon the licensed premises whenever they are used for licensed purposes. They shall not be engaged in any duties which prevent them from exercising general supervision and control.
24. Any written nomination of management shall be served on the Licensing Authority and a copy of the same shall also be retained on the premises and kept available for immediate inspection by any Official of the Licensing, Police or Fire Authority.

25. The Licensee shall provide notice of his or her intention to provide any form of entertainment which includes lap dancing, pole dancing, table dancing, striptease or any form of nudity or semi nudity on the part of the performers or the staff employed on the premises. Any entertainment of this nature will be subject to additional standard special conditions of the licence.
26. The person in charge shall be conversant with all licence conditions.
27. Any venue which accommodates external promoters shall maintain a register or a diary system to record all such events. Each entry should contain the specific date of the event, nature/title of the event and the name, address and contact telephone number of the promoter specific to that event. The register must be available for immediate inspection on request by any Official of the Licensing Authority or it's authorised agents.
28. The maximum number of persons allowed in the stated areas whilst the Licence is in force is:
200
29. The Licensee shall not permit persons in excess of the number specified on the licence to enter or occupy any portion of the licensed premises.
30. The Licensee shall ensure that staff are familiar with the maximum capacity of the premises.
31. The Licensee shall display notice containing details as to the maximum capacity figure in a prominent position upon entry to the premises. Where the capacity is divided into separate floors/areas within the premises notice of the appropriate capacity for each floor/area shall also be prominently displayed upon entry to the relevant floor/area.
32. The licensee shall at any time whilst the premises are in use be aware of the precise number of patrons on the premises. Where the licence covers different floors/areas, the licensee shall be aware of the number of patrons in each area at any given time and ensure that the numbers do not exceed those as stipulated on the licence. This information shall immediately be supplied on request to any Official of the Licensing, Police or Fire Authority.
33. Appropriately trained staff shall be provided to oversee general safety within the premises, and these shall be provided to a minimum number of one member of staff per 250 occupancy or part thereof, in accordance with the occupancy figure as stated on the Public Entertainment Licence.
34. Furthermore, in addition to the above the licensee shall ensure that an appropriately trained member of staff is designated to each emergency exit door to assist in the event of an emergency evacuation.
35. All members of staff shall be instructed in the safety precautions to be observed in the premises as far as those precautions relate to their duties and to the action to be taken by them in the event of fire or emergency.
36. All exits, passages, landings and stairways shall be kept free from obstruction at all times when the premises are used for licensed purposes.
37. A clear unobstructed route leading from each fire exit to a place of safety outside the premises shall be provided and maintained available for use at all times.
38. Every door in the building for use by members of the public going from the auditorium to the outside of the building shall open outwards, unless the Licensing Authority shall have been satisfied that this is impracticable to the circumstances of the particular case, and shall be capable of being opened easily and immediately from the inside, without the use of a key, when required.

39. Where, with the prior consent of the Licensing Authority, doors or gates across exits open inwards, they shall be fastened fully opened so as not to form an obstruction.
40. If security is required for outward opening fire exit doors, then they should be secured with panic bolt or panic latch type fastenings only to the satisfaction of the Licensing and Fire Authority. A conspicuous 'PUSH BAR TO OPEN' sign should be provided immediately above the push bars.
41. Any removable fastenings permitted by the Licensing or Fire Authority for securing exit doors when the public are not on the premises shall be removed before the public are admitted to the premises and shall not be replaced until the public have vacated the building.
42. Illuminated fire exit sign boxes lit by both primary and emergency lighting should be provided above all exits. Illuminated boxes incorporating graphic fire exit symbols, e.g. man moving through open door, should have white symbols on a green background. The size of the exit boxes should be appropriate for the maximum viewing distances involved.
43. 45. Except with the consent of the Licensing Authority, bars, wire guards or the like shall not be fitted to windows, nor shall the windows be otherwise obstructed in a manner likely to render them unavailable for the purposes of rescue in case of emergency.
46. The closing of collapsible gates or shutters across exit openings shall be prohibited whilst the public are in the premises.
47. The licensed premises shall be provided with fire appliances suitable to the fire risk in the premises and to the satisfaction of the Fire Authority.
48. Fire appliances shall be affixed to wall brackets to the satisfaction of the Fire Authority, and available for instant use at all times.
49. Fire extinguishers should be regularly examined, tested and maintained in accordance with the current British Standard to the satisfaction of the Fire Authority.
50. The licensee and employees should be made fully conversant with the location of fire appliances, method of operation and safe use, and with the action to be taken in case of fire.
51. A manually operated electrical fire alarm system shall be provided to the satisfaction of the Fire Authority. The alarm should be clearly audible in all parts of the building.
52. The Fire alarm system should be tested on a weekly basis in accordance with the current British Standard and to the satisfaction of the Fire Authority. The result of all tests with the exception of the daily inspection should be recorded in a suitable log book provided for the purpose. The log book should be available for immediate inspection upon request of any official of the Licensing or Fire Authority.
53. The licensee and all employees should be made familiar with the method of giving warning of fire and with the escape route available from each part of the premises to which they resort or in which they may work.
54. All fire doors shall be maintained self-closing and shall not be secured in an open position.
55. A system for automatically cutting off the sound system which is linked to the sounding of the fire alarm shall be provided.

56. All scenery, drapes, curtains and decorations within the licensed premises shall be made of such material or shall be treated and maintained so as to be flame retardant in accordance with the current British Standard and to the satisfaction of the Fire Authority.
57. Plastic decorations are not acceptable.
58. Filling materials used in furnishings should be restricted to combustion modified foam or other materials having at least the same standard of fire performance. Upholstered furniture and floor coverings should comply with the current British Standard to the satisfaction of the Fire Authority.
59. Flues from kitchens and serveries and over grills and all ventilating shafts shall be maintained in a clean condition.
60. Smoking shall be strictly prohibited within the stage risk area and in dressing rooms. Notices bearing the words "NO SMOKING" in red letters on a white background shall be conspicuously displayed in these areas.
61. Where any open fireplaces, high temperature heating appliances or naked flames are used they shall be adequately protected by a suitable guard.
62. In the event of the heating being by a central heating system the heating apparatus shall be placed in a separate room from the auditorium. The door between this room and the auditorium should be self-closing and fire-resistant to a one hour standard.
63. Explosives, inflammable liquids or high inflammable articles shall not be brought into or used within any portion of the licensed premises.
64. No exhibition, demonstration or display of pyrotechnics or displays involving the use of fire shall be given in the licensed premises without the prior consent of the Licensing and Fire Authority. At least fourteen days written notice of application must be supplied in such circumstances.
65. No exhibition, demonstration or display of laser equipment shall be given by any person in the licensed premises and no laser equipment shall be used by such person in the said premises unless the Director of the Leeds Environment Department has been given not less than 14 days previous written notice.
66. At entrances to venues where strobe lighting is in use warnings should be posted that stroboscopic lighting is in use and the possibility that susceptible people may be affected.
67. Flicker rates from stroboscopic lighting should be set at 4 or less flickers per second. This frequency shall apply to the combined flicker rates on any group of lights which can be directly gazed at.
68. In all parts of the building to which the public are admitted and in all passages, corridors, ramps and stairways to which the public have access and which lead from the auditorium to the outside of the building, there shall provided adequate illumination by general lighting to the satisfaction of the Licensing Authority.
69. In addition to the general lighting, adequate illumination to enable the public to see their way out of the building, without the assistance of the general lighting, shall be provided in the auditorium and all other parts of the building to which the public are admitted and in all passages, corridors, ramps and stairways, which lead from the auditorium to the outside of the building. This lighting shall be referred to as the safety lighting.
70. The safety lighting shall be provided from a source other than that of the general lighting.
