Community Committee Youth Activity Fund Consultation Report

Purpose of report

1. The report provides the Outer East Community Committee with background and context on the decision to not have a Youth Summit in 2021/22.
2. The report provides the Outer East Community Committee with an update on the Youth Activity Fund Consultation with children and young people. The consultation aims to inform the Community Committee's Youth Activity Fund spend for the 2022/23 financial year.
3. The report provides the Outer East Community Committee with reflections from the last year as a result of the COVID-19 pandemic and the challenges that this has presented Community Committees, the Communities Team and youth activity providers.

Main issues

4. Each Community Committee has been allocated a Youth Activity Fund which it is responsible for administering. The Youth Activity Fund has been made available to provide local activities for children and young people aged 8-17 years across the city.
5. The Youth Activity Fund requires the engagement and participation of children and young people in the decision making and evaluation of the fund. Children and young people are involved at each stage of the funding process and advise Community Committees on the activities they would like to take part in, in their respective areas.

6. The Youth Activity Fund can provide money for activities that offer opportunities for play, arts, sport and culture, which enable young people to have fun, get creative and have new experiences both after school and during the school holidays.
7. In preparation for the planning for this municipal year's Youth Summits, the Communities Team met with the Voice & Influence Team. At this meeting, both parties offered their support to reflect on previous year's events and learning to inform future ways of working, however expressed concerns around bringing young people together from different schools/groups for a physical event, as there continued to be concerns over COVID-19 infection rates, particularly in schools and the proposal was made to push back the Youth Summits so that they were delivered in the new municipal year.
8. This approach was discussed and agreed with Community Committee Chairs in the Community Committee Chairs Forum meetings, as it would allow the Communities Team to hold further discussions with members of the Children & Families Sub Groups and Children's' Champions and explore options to inform future Youth Summit arrangements, alongside the latest guidance regarding the safety measures that schools may be putting in place over the following months.
9. So that the Community Committees were still be able to consult with young people on priorities for the Youth Activity Fund Budget spend, a Youth Activity Fund Consultation Survey was created. Capturing this feedback would ensure that young people were still able to inform the budget spend for each committee in 2022/23 and in this respect the survey would still produce the same desired outcome as a physical Youth Summit: <https://surveys.leeds.gov.uk/s/OSCECI/>.

Reflections from the last 12 months

Youth Activity Fund Projects: Responding to the Pandemic

10. The COVID-19 pandemic has caused a number of complications for activity providers that work with young people over the last 12 months. It has been a particular challenge for organisations to keep up to date with the changing Government advice and guidance regarding COVID-19.
11. Staff in the Community Committee Team have spent a proportion of their time, once again, liaising with projects and organisations that wanted to work with young people over the last year, making sure that projects were still able to demonstrate that they were ready to deliver their activities in accordance with Government guidance and legislation regarding COVID-19, making sure that organisations had the correct policies, procedures and risk assessments in place.
12. Over the course of the last 12 months organisations and youth providers have continued to adapt to the challenges that the COVID-19 pandemic has presented them and the young people they work with once again, often working differently, for example by moving their activity provision to an online virtual platform.

13. Adapting responses and approaches for projects to meet the needs of individual communities demonstrates the committee's and the organisations flexibility and willingness to be agile in an ever-changing environment, as well as the desire to reach out and connect with young people during the COVID-19 pandemic.

Youth Activity Fund Consultation Survey

14. Promotion of the online consultation survey was ongoing by the Communities Team, with publicity being posted on the committee Facebook pages, publicity being sent out to all our school & cluster contacts, youth groups and other organisations that are funded, or work with young people in the Outer East Community Committee, as well as being circulated to our mailing lists. Posters have also been sent to our Community Hubs and Libraries, as well as our Housing Leeds contacts.

15. In addition to this the Communities Team also created a QR code that linked to the YAF Consultation Survey (image attached below). This was embedded into posters so that it could be scanned with smartphones/QR reader apps which most phones have, taking the user straight to the survey and giving us another valuable avenue for capturing feedback and engaging with young people.

16. The online consultation survey ran from November 2021 and stayed open until the 31st March 2022, where all feedback from young people was collated and fed into a Youth Activity Fund Consultation Report for the Inner South Community Committee, which will, in principle, inform the Youth Activity Fund Budget spend.

17. The Outer East Community Committee received 161 survey responses to the Youth Activity Fund Consultation Survey. The vast majority of these were completed online, however some of the survey responses were completed in paper format at the Breeze Summer Events.

Youth Activity Fund Consultation Survey Recommendations

18. The consultation surveys submitted by young people in the Outer East Community Committee area suggest the following Youth Activity Fund priorities for 2022/23:

- a. Youth activities on offer in venues such as community centres, youth clubs and sport centres as well as activities delivered outdoors.
- b. Majority of provision taking place regularly after school, in the evenings and on the weekend with some holiday camps.
- c. Ensure the activities are inclusive of friendship groups, have refreshments available and good quality staff.

Popular activities included:

1. Sport clubs such as Rugby/Football.
2. Cooking
3. Outdoor Activities
4. Dance

19. It is recommended that any projects funded by the Outer East Community Committee from the Youth Activity Fund focus on these key themes and activities in 2022/23.

20. It is also recommended that options are explored for a physical Youth Summit event in the next municipal year, 2022/23. This will inform the Youth Activity Fund spend for 2023/24.
