ALARMS • CCTV • DOOR ACCESS
FIRE ALARMS

Hi

Thanks for meeting with me today. I have gone over what we discussed and have some prices for you.

CCTV Hikvision system

Option 1

Camera quality — 4mp IP colour at night with audio.
6 x cameras located internally/externally as discussed with a monitor for viewing.

What's included in the price :-

- *Professionally installed
- *Day/night Cctv cameras
- *NVR recorder
- *Hard-drive storage (30 days minimum)
- *Free app subscription
- *Linked to your tv and mobiles
- *Line crossing alerts through the app
- *Tech support
- *2 years product warranty

Option 2

Option 3

Option 4

These systems can be tailored to suit your needs, if you have any questions please just ask.

Hope this is ok for you.

If you have any questions please just ask

Many thanks
