1 external 5-megapixel turret camera with 24hr colour images and built-in audio facing to the right of the building covering the main entrance and car park entrance.

1 internal 5-megapixel dome camera facing the main entrance doors by the changing rooms (No audio recording).

3 internal 5-megapixel dome cameras in the main hall covering the bar area, seating area, VIP area and boxing ring (No audio recording).

[REDACTED]

To add a monitor to the system would be an additional [REDACTED]

To add a 4g router to the system to enable remote viewing [REDACTED] this would also require a sim card with a data plan to be provided by yourselves.

No VAT to pay and all equipment fully installed with a 2 years parts and labour warranty.

If you wish to go ahead with any of the work, [REDACTED]  
[REDACTED] any questions just give me a call.

Regards  
[REDACTED]
