

# Equality, Diversity, Cohesion and Integration Screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions. Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being/has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

<ul style="list-style-type: none"> <li>• <b>Main aim</b>              As a consequence of a rise in the birth rate, new housing developments and increased migration across Leeds, there is a requirement to provide sufficient accommodation in the areas of most pressure as the larger cohorts seen in the primary phase work through to secondary. The increase in teaching provision will support a one off 'bulge' cohort of 30 places, which are not currently available within the area of need. The proposed work seeks to provide the necessary additional provision and is to be delivered under the City Council's Learning Places Programme, which aims to ensure the Local Authorities statutory duties are met with respect to ensuring a school place for every child within the city.</li> </ul> <p>This report seeks approval to undertake construction works necessary to facilitate the placement of a 30 pupil 'bulge' cohort at Brigshaw High School, with effect from the commencement of the 2022/23 academic year. New accommodation is required to facilitate this, and the historic 'bulge' cohorts placed at the school, which will be provided via a programme of internal remodelling. This project will</p>

generate the necessary general teaching space and specialist teaching space, along with essential welfare and supporting space, to accommodate the increased intake at Brigshaw High School.

- **Purpose**

To undertake a 'bulge' cohort construction project at Brigshaw High School, necessary to provide sufficiency of teaching accommodation to facilitate the placement of 30 additional pupils at the school from September 2022. This will be achieved by a programme of internal remodelling of internal spaces via a self-delivered construction project. Which will be tendered and managed by the Brigshaw Learning Trust.
