This Council believes funding allocated by the Government to Leeds City Council for the Household Support Fund to help residents in financial difficulties is not enough given the current Cost of Living crisis which has followed 12 years of austerity.

Council is very concerned that the amount allocated to support residents in Leeds works out at no more than £9 per person meaning many families will not receive the support that they need at an increasingly difficult time financially for many people.

Council calls on Government to urgently increase funding allocated via the Household Support Fund to ensure residents in Leeds who need support both now and through the winter can afford to meet the price of food, heating and essential living costs.
