Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

While we recognise that our premises lies in the Harehills area which is subject to a cumulative impact policy we don't believe that our application is subject to the CI policy for the following reason. Paragraph 7.27 of Leeds' statement of licensing policy states that the Harehills area "*is suffering from the cumulative impact of off-licensed premises and as a consequence this is leading to problems which are undermining the licensing objectives.*" Paragraph 7.29 goes on to state that "*It would be inconsistent with the council's duty to promote the licensing objectives to grant new and variation application for any premises licence which seeks off sales and late night refreshment to operate during the peak hours.*" Our application is to permit **alcohol on-supplies only** while any late night refreshment provision will be for consumption on the premises: there will be no take-away food. Based upon these matters we are of the view that the CI policy does not apply to our application.

1 All staff shall be suitably trained for their job function for the premises. The training shall be written into a programme ongoing and under constant review and shall be made available to a relevant responsible authority when called upon.

b) The prevention of crime and disorder

2 A properly specified and fully operational CCTV recording system shall be installed, operated and maintained. The system shall incorporate a camera covering each of the entrance doors and be capable of providing an image which is regarded as 'identification standard' of all persons entering and/or leaving the premises. The CCTV system shall be in operation at the premises at all times when the premises are used for the provision of licensable activity. All CCTV recordings shall be securely stored for a minimum of thirty-one days. A staff member from the premises who can operate the CCTV system shall be on the premises at all times when the premises are open to the public. This staff member shall be able to show Police recent data or footage with the absolute minimum of delay when requested. Signage indicating that a CCTV recording system is in operation shall be displayed prominently in the premises.

3 The premises licence holder shall uphold a zero tolerance policy in relation to illegal drugs.

4 Any person entering the premises who appears to be under the influence of alcohol or illegal drugs shall in the interests of other members of the public using the premises be requested to leave the premises.

5 A premises incident book shall be kept at the premises. This book shall be maintained and kept for a rolling period of 12 months. The incident book shall record all incidents which may have occurred which are relevant to the supply of alcohol and the promotion of the licensing objectives. Such incidents shall include, but not be limited to, complaints made to the premises alleging nuisance or anti-social behaviour by persons attending or leaving the premises and all refusals to sell alcohol. The incident book shall be readily available for inspection by an authorised person upon reasonable request.

c) Public safety

6 All exit routes and public areas shall be kept unobstructed, shall have non-slippery and even surfaces, shall be free of trip hazards and shall be clearly signed.

7 No accumulation of combustible rubbish, dirt, surplus material or stored goods shall be permitted to remain in any part of the premises except in an appropriate place and of such quantities so as not to cause a nuisance, obstruction or other safety hazard.

8 Drinks shall be served in containers made from toughened glass/polycarbonate.

9 The premises licence holder shall ensure that a suitable fire risk assessment and emergency plan is in place at all times.

10 An adequate and appropriate supply of first aid equipment and materials shall be available on the premises.

d) The prevention of public nuisance

11 Apart from normal entrance and egress all external windows and doors shall be kept shut at all times when regulated entertainment is being provided.

12 Signage requesting customers to be respectful of others when entering or leaving the premises shall be installed in a prominent position by the premises' exit.

13 Patrons smoking outside the premises shall be monitored regularly to ensure the potential for noise nuisance is controlled.

14 Clear and legible notices shall be prominently displayed at any area used for smoking requesting customers to respect the needs of local residents and use the area quietly.

15 The area immediately outside the premises shall be regularly monitored to keep it clean and clear of litter.

16 The premises' management shall ensure that any receptacles for waste which may be provided for customers' use are emptied regularly to minimise nuisance smells.

17 No person shall be allowed to leave the premises whilst in the possession of any drinking vessel or open glass bottle, whether empty or containing any beverage.

18 Arrangements shall be put in place to ensure that waste collection contractors do not collect refuse between 19:00 and 07:00.

19 Between the hours of 21:00 and 07:00 no waste/glass bottles shall be moved or deposited outside.

e) The protection of children from harm

20 A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are the following recognised photographic identification cards: a driving licence, a passport, a military identification card or a Proof of Age card carrying a 'PASS' hologram.

21 All occasions when persons have been refused service shall be recorded in the incident book. This record shall include:

- the date and time of the incident
- a description of the person seeking to buy alcohol
- the name of the staff member who refused the sale
- the reason the sale was refused

The record must be made available for inspection when requested by an officer of a Responsible Authority.

22 There shall be no children unaccompanied by a responsible adult on the premises after 19:00.

23 All children under the age of 12 years shall be accompanied by an adult whilst on the premises.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
