

## West Yorkshire Integrated Care Board Scheme of Reservation and Delegation

### Introduction

1. The constitution of NHS West Yorkshire Integrated Care Board and this Scheme of Reservation and Delegation create the framework for the ICB to delegate much decision-making authority and resources to committees of the ICB in our places – Bradford District and Craven, Calderdale, Kirklees, Leeds and Wakefield.
2. As set out in the constitution at paragraph 1.1.5, it is also recognised that there are significant benefits in working together across a wider footprint and that local plans need to be complemented with a common vision and shared plan for West Yorkshire as a whole. Three tests will be used to determine when to work at this level:
  - to achieve a critical mass beyond local population level to achieve the best outcomes;
  - to share best practice and reduce variation; and
  - to achieve better outcomes for people overall by tackling ‘wicked issues’ (i.e., complex, intractable problems).
3. All decisions and responsibilities set out in this document will be carried out with regard to **ICB function 9**:

Through joint working between health, social care and other partners including police, education, housing, safeguarding partnerships, employment and welfare services, ensure that the NHS plays a full part in achieving wider goals of social and economic development and environmental sustainability. (Interim Guidance on the functions and governance of the ICB, August 2021 (updated March 2022).
