#### VARIATION

soon as possible?

Yes

No

Do you want the proposed variation to have effect in relation to the  
introduction of the late night levy?

Yes

No

You do not have to pay a fee if the only  
purpose of the variation for which you are  
applying is to avoid becoming liable to the  
late night levy.

If your proposed variation  
would mean that 5,000 or  
more people are expected to  
attend the premises at any  
one time, state the number  
expected to attend

#### Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

We currently hold a licence that only allows for the consumption of alcohol within the club house itself.  
We want to vary our licence to incorporate the pavilion into the licenced area. The pavilion itself is situated in the sports field and has no neighbouring properties.  
We wish to amend the sale of alcohol for consumption on & off the premises to include the designated beer garden area at the front of the club, as well as including the sports field area shown on the submitted plans.  
We wish to increase the hours for provision of live music, recorded music and performance of dance so it will include every day, not just certain times & days as per the current licence.
