Hi Charlotte,

A complaint I received from a local resident regarding this application for 24 hour of alcohol sales.

Please register this as an objection from [REDACTED]  
You will note that [REDACTED] is actually complaining about the existing openings hours and strongly opposes the application for 24 hour sale of alcohol.

Regards  
Jim

Hi Jim

I hope you are well.

As you may be aware, [REDACTED] Booze Plus have applied for a 24 hour licence to sell alcohol (the statutory notice is displayed on the outside of their premises). I hope you will use all the influence you have to prevent any such thing happening.

There have been regular problems / anti social behaviour over the years with this shop - I'm sure you are entirely familiar with them - and extending its hours will only increase them. Who really needs to buy a 6-pack and a bottle of vodka at 3am? And would you want them hanging around your house at such a time? As it is, I regularly have to recycle the empties dumped on my premises, having been bought during normal licencing hours. Considering the staff costs involved in a 24 hour operation, I would imagine that a 24 hour licence could only be profitable if the shop is busy all night - not a prospect I would welcome, for obvious reasons.

I also suspect that the shop would become a handy locale for the 24 hour dealers of illicit substances, and possibly a tempting target for more or less violent robberies when no-one is around.

I could, but won't, go on.

Please confirm that you, and the other ward councillors, are opposed to the granting of this licencing application.

Regards
