

# Equality, Diversity, Cohesion and Integration (EDCI) screening

As a public authority we need to ensure that all our strategies, policies, service and functions, both current and proposed have given proper consideration to equality, diversity, cohesion and integration.

A **screening** process can help judge relevance and provides a record of both the **process** and **decision**. Screening should be a short, sharp exercise that determines relevance for all new and revised strategies, policies, services and functions.

Completed at the earliest opportunity it will help to determine:

- the relevance of proposals and decisions to equality, diversity, cohesion and integration.
- whether or not equality, diversity, cohesion and integration is being or has already been considered, and
- whether or not it is necessary to carry out an impact assessment.

## 2. Please provide a brief description of what you are screening

Over the past 2 years the government introduced the Afghan Relocations and Assistance Policy (ARAP) and the Afghan Citizens Resettlement Scheme (ACRS). The scheme offers relocation and assistance to former Locally Employed Staff (LES) in Afghanistan.

The Safer Stronger Communities Team Resettlement Team has taken the leadership role on the development of the Leeds response which includes accommodation (initially through the bridging hotel and support relating to setting up families in move on, long-term accommodation). Since September 2021 the Resettlement Team have also been managing the wrap-around support within then bridging hotel. This wrap around support includes the operational co-ordination of activities and services through working closely with local stakeholders and other voluntary sector agencies.

The ARAP & ACRS scheme was initially introduced for three months, however it has been extended by the Home Office due to the commitment to relocation additional Afghan citizens over the next 2 years. As a result, a substantial level of funding to local authorities to support with the relocation and assistance in terms of wrap around support.

The Resettlement Team is a small team and as a result of the extension of the scheme, it is no longer sustainable for the team to continue to deliver the service at it's current staffing levels and there is a need to create a number of posts to ensure that the service is maintained and delivered.
