Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 10)

See attached proforma

b) The prevention of crime and disorder

See attached proforma

The premises will continue to be operated under the auspices of a general committee which will enable any behavioural issues to be dealt with quickly and effectively. Private events will be booked through a member of the general committee or the DPS who will oversee the types of events being staged and the clientele involved.

Staff members are trained as part of their induction to be watchful for potential issues at any event and care is taken to collect glasses on a regular basis. Larger events being staged outdoors will have drinks served in plastic or toughened glass containers.

c) Public safety

See attached proforma

d) The prevention of public nuisance

See attached proforma

At major events, the Club general committee will liaise with West Yorkshire Police and/or

the local authority to assist on access and parking issues. The building benefits from extensive car parking spaces to reduce any parking issues in surrounding streets.

e) The protection of children from harm

See attached proforma

The Club is registered under the ECB's Clubmark scheme which highlights good practice in child welfare and protection. The Club has a Child Welfare Officer who reports to the general committee on any issues that may cause concerns.

The Club views this sustained involvement of junior players and their families as being the way forward for a successful future. It will not countenance involvement in any activities that may restrict the on-going involvement of youngsters in cricket and social activities at the club.

The Club will continue to operate a membership card system whereby all Club members are issued with a card that entitles them to discounts on bar purchases. The same system also highlights any junior members of the Club which also provides an indicator to bar staff if under-age members are trying to purchase alcoholic drinks. Bar staff are also trained to ask for proof of ID where they have concerns that a person may be under the legal limit to buy alcohol. Bar staff are also instructed to collect glasses at regular intervals. For larger events, any alcoholic drinks to be consumed on the playing fields will be served in plastic or toughened glass containers.

A licence may not be held by an individual or an individual in a partnership who is resident in the LIK who:

- does not have the right to live and work in the UK; or

They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a chare code from the service should submit copy documents as set out above.
