

Work Schedule

Date: 22nd November 2022

Report of: Head of Democratic Services

Report to: Scrutiny Board (Adults, Health and Active Lifestyles)

Will the decision be open for call in? Yes No

Does the report contain confidential or exempt information? Yes No

Brief summary

- All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year. In doing so, the work schedule should not be considered a fixed and rigid schedule, it should be recognised as a document that can be adapted and changed to reflect any new and emerging issues throughout the year; and also reflect any timetable issues that might occur from time to time.
- The Scrutiny Board Procedure Rules also state that, where appropriate, all terms of reference for work undertaken by Scrutiny Boards will include 'to review how and to what effect consideration has been given to the impact of a service or policy on all equality areas, as set out in the Council's Equality and Diversity Scheme'.
- The latest iteration of the Board's work schedule is attached to this report for the Board's consideration.

Recommendations

Members are requested to consider the Scrutiny Board's work schedule for the 2022/23 municipal year.

What is this report about?

1. All Scrutiny Boards are required to determine and manage their own work schedule for the municipal year and therefore the latest iteration of the Board's work schedule for the remainder of the municipal year is attached as Appendix 1 for Members' consideration.
2. The latest Executive Board minutes from the meeting held on 19th October 2022 are also attached as Appendix 2. The Scrutiny Board is asked to consider and note the Executive Board minutes, insofar as they relate to the remit of the Scrutiny Board; and consider any matter where specific scrutiny activity may also be warranted.

Developing the work schedule

3. When considering any developments and/or modifications to the work schedule, effort should be undertaken to:
 - Avoid unnecessary duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue.
 - Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.
 - Avoid pure "information items" except where that information is being received as part of a policy/scrutiny review.
 - Seek advice about available resources and relevant timings, taking into consideration the workload across the Scrutiny Boards and the type of Scrutiny taking place.
 - Build in sufficient flexibility to enable the consideration of urgent matters that may arise during the year.
4. In addition, in order to deliver the work schedule, the Board may need to take a flexible approach and undertake activities outside the formal schedule of meetings – such as working groups and site visits, where necessary and appropriate. This flexible approach may also require additional formal meetings of the Scrutiny Board.

Developments since the previous Scrutiny Board meeting

Cancellation of the Scrutiny Board's additional meeting on 8th November 2022

5. Last month the Scrutiny Board agreed to hold an additional formal meeting on Tuesday 8th November 2022 to consider the issue of dentistry. However, with the agreement of the Chair this meeting was subsequently cancelled, with arrangements put in place for the Board to consider the issue of dentistry as part of today's meeting agenda. To ensure that the agenda remained manageable, the Chair also requested that the planned work item on workforce strategy be moved to the Board's January meeting.

Liberty Protection Safeguards

6. Last year it was suggested by the Adults and Health Directorate that the Scrutiny Board may wish to receive a report surrounding the implementation of Liberty Protection Safeguards (LPS). However, linked to the national legislative framework, there had been delays surrounding the implementation of the LPS which had led the Scrutiny Board to defer consideration of this matter into the 2022/23 municipal year. Having been advised of further implementation delays nationally, the Chair has agreed to remove this item from the Board's work schedule until assurances surrounding the implementation timeframe can be provided.

What are the resource implications?

10. Experience has shown that the Scrutiny process is more effective and adds greater value if the Board seeks to minimise the number of substantial inquiries running at one time and focus its resources on one key issue at a time.
11. The Vision for Scrutiny, agreed by full Council also recognises that like all other Council functions, resources to support the Scrutiny function are under considerable pressure and that requests from Scrutiny Boards cannot always be met.
12. Consequently, when establishing their work programmes Scrutiny Boards should:
- Seek the advice of the Scrutiny officer, the relevant Director and Executive Member about available resources;
 - Avoid duplication by having a full appreciation of any existing forums already having oversight of, or monitoring a particular issue;
 - Ensure any Scrutiny undertaken has clarity and focus of purpose and will add value and can be delivered within an agreed time frame.
